Put In Bay The Construction Of Perrys Monument:

Put-in-Bay Jeff Kissell,2001 We have met the enemy and they are ours So wrote Commodore Oliver Hazard Perry to General William Henry Harrison following his decisive victory over a British fleet at the Battle of Lake Erie Perry s victory served as a catalyst both for this battle and for ending hostilities in the Old Northwest Theater of the War of 1812 Captured here in over 200 vintage images from the Monument archives is a pictorial and technical record of how a monument befitting this naval victory and the resulting peace became a reality During the remainder of his life the country heralded Perry as a national hero whose bravery and fortitude enabled the U S to win or gain an honorable peace from its war with England A deserving result of this victory was creation of a monument to honor Perry and his men The story of the construction of the monument is as thrilling as the bravery that inspired it seen here are the original photographs taken by prominent Put in Bay photographer G Otto Herbster capturing the builders architects mishaps and triumphs that occurred during the construction of one of Ohio s most revered treasures
