The Influences That Moulded Him: People And Books Zacharias Tanee Fomum, 1901 Professor Zacharias Tanee Fomum never claimed to be a self made man Self made people may end up as spiritual men but not spiritual leaders Spiritual leaders are a concatenation of kaleidoscopic influences When God determines to use a man for His glory and for the advance of His kingdom He moulds him through manifold human angelic spiritual and normal life influences He finally becomes an ordinary man with an extraordinary life

FROM HIS LIPS THE INFLUENCES THAT MOULDED HIM delves into the plethora of influences that moulded Him into the spiritual leader of his generation From among his own people he was influenced by his own family parents siblings teachers university lecturers and colleagues He was influenced constructively by people across the board from every culture From the Western World there were such influential figures in his life like Professor Landor John Wesley Charles Finney and Charles Spurgeon just to name a few Watchman Nee from the Oriental World was like a spiritual father and main influence to him He read many of his books from cover to cover on his knees African and academic influences such as Professor Sundengam Ruth Sengat Kouo and Bishop Festo Kivengere among a host of others made him a citizen of heaven in the world With such an equilibrium of diverse cultural and spiritual influences the Lord used him to speak to every manner of culture without fear or favour and without mincing words These human and printed page influences moulded him and he in turn was used by the Lord to mould and transform the lives of multitudes around the world Read this book and that transformation will be yours

The Treasure Principle, Revised and Updated Randy

Alcorn, 2017-07-18 Discover how the joy of giving can make your life richer starting today Bestselling author Randy Alcorn introduced readers to a revolution in material freedom and radical generosity with the release of the original *The Treasure Principle* in 2001 Now the revision to the compact perennial bestseller includes a provocative new concluding chapter depicting God asking a believer questions about his stewardship over material resources Jesus spent more time talking about money and possessions than about heaven and hell combined But too often we've overlooked or misunderstood his most profound teaching on this topic from his words in Matthew 6 Jesus offers us life changing investment advice He actually wants us to store up treasures for ourselves just not here on earth Instead he urges us to store our treasure in heaven where they will await us and last forever We can't take it with us but we can send it on ahead Readers are moved from the realms of thoughtful Bible exposition into the highly personal arena of everyday life Because when Jesus told His followers to lay up for yourselves treasures in heaven He intended that they discover an astounding secret how joyful giving brings God maximum glory and His children maximum pleasure In *The Treasure Principle* you'll unearth a radical teaching of Jesus a secret wrapped up in giving Once you discover this secret life will never look the same And you won't want it to be Supercharged with stunning divine truth Lightning struck over and over as I read it John Piper Senior Pastor Bethlehem Baptist Church Minneapolis

Subtle Deception Lawrence Vanyi, 2005-08 Modern misguided evangelical empire building at the institutional church level has systematically for the most part attempted to replace Christianity with its own brand of organized religion This subtle deception has taken more than 1 700 years to develop and permeate society and typical Christian thought but develop well it has So well in fact that even some of the greatest ministry personalities of our time have made the mistake of thinking that Christianity and organized religion are one and the same but they are not What's wrong with organized religion you say Did you suppose that's what Christianity was all about Did you suppose that its church building origins are biblical And what's the fuss anyway Does it really matter if the Lord's people are more organizationally or institutionally minded than they are relationally minded The author's opinion is that Purpose dictates the correct usage of what God designs If we want to correctly use something God has designed we must first discover God's original intent and purpose behind the creation of His idea This work deals with the financial skeletons in the Church's closet and goes behind the scenes for God's design for the Body of Christ known as the Church
