"Symphonic...a poetic sonata that weaves and repeats themes and images to profound effect. Mr. Willingham has a natural sense of rhythm and applies it to line length with deftness. The detailing in several poems is excellent poetic cataloguing, bringing 'this secret world' to concrete vividness. The final poem alone is worth the price of admission." - Albert Belisle Davis, Novelist-in-Residence, Nicholls State University, author of *What They Wrote on the Bathroom Walls*, *Yen's Marina*, *Chinese Bayou*, *Leveetime* and *Marquis at Bay*.

Joseph Lessard, 2010-11-29 The high school on the north side of Birchdale has been on an emotional roller coaster experience as fall was transitioning into winter Just as the students were basking in the glory of their first state championship in football they had to bear the devastating death of one of their most popular classmates The passage of months has also brought about significant changes in the individual family and social lives of the young people especially in the boy girl relationships Ted and Natalie the shy couple whose security was their unswerving devotion to each other is experiencing new strains as the beauty of Natalies emerging physical maturity has catapulted her into the limelight of the most desired girls in the school Jeff has been getting along quite comfortably with Gina the second girlfriend of his teen years but just when he thought that his first girlfriend Jill had faded out of his life he unexpectedly encounters her again His certain world is profoundly shaken as he realizes that the old feelings havent really gone away for this girl who he once loved so crazily that he was certain he couldnt never love anyone else Yet returning to her presents as impossible since she has rejected him for three other guys and is pregnant by the last one his younger brother As conflict rages within his family over what to do about Jill Jeff tries to focus on his studies and after school job only to get kidnapped by the school hoodlums and dragged into what is for him the scariest place on earth the now closed old Century Inn If he gets out of there alive he may still have to prove that he was not the perpetrator in the breaking and entering of the building A few secrets of the ancient hotel have been revealed but the teenage boys who worked there and the young thugs that break into it find yet more puzzling mysteries to ponder not the least of which is whether the building is haunted      Echoes of the Most Holy André Reis, 2022-03-01 The Day of Atonement was a day of rest penitence and purification for Israelites of loyal character On this day sins and impurities that had accumulated throughout the year were removed from the tabernacle by the application of sacrificial blood to its altars and compartments and transferred by the high priest s confession onto the goat for Azazel which carried them to the desert Israel was thus rendered clean before the Lord ensuring that he would continue to dwell in their midst As it became ingrained in the veil of Jewish consciousness the Day of Atonement underwent a process of reflection and reimagination as shown in Second Temple literature where Azazel plays a significant eschatological role Arriving in New Testament times the day s imagery and typology presented irresistible motifs which its authors used to proclaim Jesus Christ s atoning death and heavenly intercession on behalf of believers By utilizing a coherent intertextual approach this book explores how John wove the Day of Atonement into the

Those who have spent time within earshot of a crying baby know the stress this sound can induce Considerable scientific research has been devoted to the causes and consequences of infant crying because it is a public health concern implicated in parental frustration and infant abuse Infant Weeping seeks to draw on the extensive research on infant crying in order to understand better the motif of infant weeping in ancient literature The present book contributes to the growing interest in correlating scientific and humanities scholarship Scientific research can help bridge the cultural distance that separates modern readers from ancient texts For example the Akkadian incantations for soothing infants may appear to be strange magical texts from a foreign world which they are but they also reflect common human realities that have been part of the parent infant relationship in all times and cultures The incantations reflect and evoke emotions and responses familiar to anyone who has cared for a baby Fuller understanding of the dynamics of the parent child relationship can help us see commonalities across differences and make foreign texts more interesting and relevant David Bosworth draws on the natural sciences to develop a theory for analyzing infant weeping in literature He then analyzes ancient Akkadian magical incantations for soothing crying babies as well as portions of the Babylonian Creation and Flood stories in the Hebrew Bible he explores two infant abandonment stories Genesis 21 and Exodus 2 and the many parallels between them that have been overlooked finally he examines a select corpus of Greek infant abandonment stories including stories found in Herodotus Sophocles and Diodorus among other authors He ultimately places these textual corpuses in comparison with one another **Be Still and Put Your PJs On** BroadStreet Publishing Group LLC,2020-08-04
