Q Pootle 5 In Space:

Q Pootle 5 in Space! Nick Butterworth, 2004 A high speed space chase unfolds as QPootle5 and his friend Oopsy flee from three hungry bladder monsters Q Pootle 5 is in a hurry And so is his friend Oopsy They are being chased by three hungry bladder monsters But Q Pootle 5 has a friend who is bigger and scarier than the bladder monsters Dave is bigger than everyone *Planning for Learning through Space* Rachel Sparks Linfield, 2013-03-05 Plan for six weeks of learning covering all six areas of learning and development of the EYFS through the topic of space The Planning for Learning series is a series of topic books written around the Early Years Foundation Stage designed to make planning easy This book takes you through six weeks of activities on the theme of space Each activity is linked to a specific Early Learning Goal and the book contains a skills overview so that practitioners can keep track of which areas of learning and development they are promoting This book also includes a photocopiable page to give to parents with ideas for them to get involved with their children s topic as well as ideas for bringing the six weeks of learning together The weekly themes in this book include the earth the sun other stars our moon and journeying into space **Role Play** Judith Harries, 2012-07-19 Role Play underpins all development and learning in young children Practice Guidance for the Early Years Foundation Stage 2008 page 7 Learning through play is at the heart of the EYFS and this series aims to give the practitioner as many play ideas as possible to support children s learning

Equipping Space Cadets Emily Midkiff, 2022-04-19 Winner of the 2023 Science Fiction Research Association SFRA Book Award 2022 Longlist Nominee for the Best Non Fiction Award from the British Science Fiction Association Equipping Space Cadets Primary Science Fiction for Young Children argues for the benefits and potential of primary science fiction or science fiction for children under twelve years old Science fiction for children is often disregarded due to common misconceptions of childhood When children are culturally portrayed as natural and simple they seem like a poor audience for the complex scientific questions brought up by the best science fiction The books and the children who read them tell another story Using three empirical studies and over 350 children s books including If I Had a Robot Dog Bugs in Space and Commander Toad in Space Equipping Space Cadets presents interdisciplinary evidence that science fiction and children are compatible after all Primary science fiction literature includes many high quality books that cleverly utilize the features of children s literature formats in order to fit large science fiction questions into small packages In the best of these books authors make science fiction questions accessible and relevant to children of various reading levels and from diverse backgrounds and identities Equipping Space Cadets does not stop with literary analysis but also presents the voices of real children and practitioners The book features three studies a survey of teachers and librarians quantitative analysis of lending records from school libraries across the United States and coded read aloud sessions with elementary school students The results reveal how children are interested in and capable of reading science fiction but it is the adults including the most well intentioned librarians and teachers who hinder children s engagement with the genre due to their own preconceptions about the genre

and children *The Inter-Galactic Playground* Farah Mendlesohn,2009-07-15 Science fiction is often considered the genre of ideas and imagination which would seem to make it ideal for juveniles and young adults however the ideas are often dispensed by adults This book considers the development of science fiction for children and teens between 1950 and 2010 exploring why it differs from science fiction aimed at adults In a broader sense this critical examination of 400 texts sheds light on changing attitudes toward children and teenagers toward science education and toward the authors expectations and sociological views of their audience How to Get Your Child to Love Reading Esmé Raji Codell,2003-01-01 Offers
