Quality Time 50 Years Of Sailing:

Quality Time? Mike Peyton,2017-03-14 Published to celebrate the life of Mike Peyton the world s greatest yachting cartoonist this second edition features personal tributes from some 12 other successful and well known sailors including Sir Robin Knox Johnston Sir Ben Ainslie and Tom Cunliffe They all recognise Mike s observational talent and comment on how sailors see themselves or their friends in his cartoons Along with 80 of his incomparable cartoons Mike Peyton recounts how he became a yachting cartoonist and his fifty years of sailing So as well as chuckling at the cartoons themselves there is the opportunity to learn from Peyton s 50 years of experience of sailing different boats meeting a variety of sailors and getting into and out of some truly hilarious situations

Quality Time Mike Peyton,2005-10-07 A collection of recent Peyton sailing cartoons plus the story of his 50 years of sailing on the east coast essentially a sideways history of sailing Peyton is the foremost sailing cartoonist of his generation and indeed was Giles favourite cartoonist Here is his latest collection of nautical mishaps most of which have happened to him or his long suffering friends and charterers An added feature this time is a sideways look at cruising over the last 50 years from the days when boats were left unlocked and heated by wood stoves to the present day Strangely sailors still get cold wet sick and frightened but still resort to humour to explain their weird obsession
