5000 Episodes and No Commercials David Hofstede,2011-11-09 Groundbreaking Does for TV shows what Leonard Maltin s guides do for movies Forget movies Sales of TV DVDs are outpacing all other categories according to Video Store magazine The Simpsons 24 Lost Desperate Housewives Alias even old chestnuts like Columbo and Home Improvement are blowing out of the stores as fans and collectors rush to buy their favorite shows compact and complete How do buyers know which shows are the best which season contains that favorite moment which episode features that guest star They don t not without their trusty copy of 5 000 Episodes No Commercials which gives full information on every sitcom and drama released on DVD whether in season by season sets individual episodes best of compilations specials or made for TV movies Almost 500 pages of listings include year of original airing information on audio and video quality extras Easter eggs and more Every couch potato is sure to heave up off the sofa just long enough to buy 5 000 Episodes No Commercials

Television Histories Gary R. Edgerton,Peter C. Rollins,2014-10-17 From Ken Burns s documentaries to historical dramas such as Roots from A E s Biography series to CNN television has become the primary source for historical information for tens of millions of Americans today Why has television become such a respected authority What falsehoods enter our collective memory as truths How is one to know what is real and what is imagined or ignored by producers directors or writers Gary Edgerton and Peter Rollins have collected a group of essays that answer these and many other questions The contributors examine the full spectrum of historical genres but also institutions such as the History Channel and production histories of such series as The Jack Benny Show which ran for fifteen years The authors explore the tensions between popular history and professional history and the tendency of some academics to declare the past off limits to nonscholars Several of them point to the tendency for television histories to embed current concerns and priorities within the past as in such popular shows as Quantum Leap and Dr Quinn Medicine Woman The result is an insightful portrayal of the power television possesses to influence our culture

Time-Travel Television Sherry Ginn,Gillian I. Leitch,2015-10-08 Stories of time travel have been part of science fiction since H G Wells sent his nameless hero hurtling into Earth s distant future in The Time Machine Time travel enables the storyteller to depict alternate realities bring fictional characters face to face with historical figures and depict moral and ethical dilemmas in which millions of lives or the world as we know it are at

stake From Doctor Who and Quantum Leap to the multiple incarnations of Star Trek time travel has been a staple of science fiction television for more than fifty years Time Travel Television The Past from the Present the Future from the Past surveys the whole range of time travel stories on the small screen The essays in this collection explore time travel series both familiar Babylon 5 Stargate SG 1 and forgotten The Time Tunnel Voyagers as well as time travel themed episodes and arcs in series where it is not central such as Red Dwarf Lost and Heroes Contributors to this volume consider some of the classic themes of time travel stories the promise and peril of fixing the past the chance to experience and choose possible futures and the potential for small changes to have great effects Exploring time travel as a teaching tool as a vehicle for moral lessons and as a background for high adventure this book offers new perspectives on many familiar programs and the first serious study of several unjustly neglected ones Time Travel Television is essential reading for science fiction scholars and fans and for anyone interested in the many ways that television brings the fantastic into viewers living rooms **The Essential Cult TV**
