**The Godbearing Life, Revised Edition** Kenda Creasy Dean, Ron Foster, Megan DeWald, 2023-03-01 A generation ago

The Godbearing Life charted a new course for youth ministry to fuel the faith both of young people and the adults who minister with them It is founded on the truth that we are all Godbearers to one another and therefore youth ministry is more about people than programs Youth ministry is ministry that invites young people into deep soul work and spiritual friendships Like the original The Godbearing Life Revised Edition is conversationally written grounded in scripture and grows out of all three authors own pastoral experience The update addresses the profound shifts in society and ministry over the past twenty five years from the interconnection of technology to the professionalization of youth ministry This book reimagines the means of Godbearing youth ministry in a post pandemic digital age in the twenty first century while holding on to the fact that young people are continuously transformed by the message The Godbearing Life Revised Edition offers a new generation of church leaders the same depth of spiritual wisdom that shifted the ground for youth workers two decades ago The basic message is this young people need adults who practice faith alongside them

**Technology, Management and the Evangelical Church** John Weaver, 2020-04-02 This book explores the technological innovations and management practices of evangelical Christian religions Beginning from the late 19th century the author examines the evangelical church's increasing appropriation of business practices from the secular world as solutions to organizational problems He notes especially the importance of the church growth movement and the formation of church networks Particular attention is paid

to the history of evangelical uses of computer technology including connections the Christian Right has made within Silicon Valley Most significantly this book offers one of the first academic explorations of the use of cybernetics systems theory and complexity theory by evangelical leaders and management theorists **Post-Modern Pilgrims** Leonard Sweet,2000-07-15 There is a legend of a Welsh Prince Madoc whose ship became stuck in Chesapeake Bay After trying unsuccessfully to escape he had his men row out with the anchor drop it as far into the sea as they could and then the ship winched its way forward The image of the church as a boat and tradition as an anchor is prevalent in Christian art If we examine the biblical view of an anchor we find like Prince Madoc we are to cast our anchor into the future and pull the church forward Postmodern pilgrims must strive to keep the past and the future in perpetual conversation so every generation will find a fresh expression of the Gospel that is anchored solidly to the faith that was once for all delivered Tremble David Fiedler,2015-03-01 When post modernism seems to be dominant world view when interest in traditional religion is falling off when far too many Adventist youth are simply walking away what could possibly be wrong with getting people excited about spirituality We can never say we weren't warned In 1903 Ellen White wrote an urgent letter about the Alpha of Apostasy and rushed it to the mail Twenty five hundred miles later it arrived just in time to head off disaster temporarily at least She wrote of a dream in the night a ship in the fog and iceberg in the way The vessel was damaged but it survived the encounter because the Captain's command was obeyed Adventism survived her crisis too though at the cost of her right arm and the imposition of the worst evil Yet she assured us that the story wasn't over The omega would follow in a little while I trembled for our people Ellen G White For nearly a century the idea that the Seventh day Adventist Church would ever again be troubled and tempted by pantheism strained credulity It seemed absurd unbelievable ridiculous Nevertheless the Lord said another test was coming

**A Sociology of Mystic Practices** Dann Wigner,2018-06-08 This book investigates the process of spiritual borrowing between the emergent church EC and the Christian mystical tradition From its inception the EC has displayed interest in mystic practices but the exact nature of this interest or how these practices are appropriated and reinterpreted in the EC context has not been researched My research shows that the emergent church is appropriating Christian mystic practices by investing these practices with their own theological content The practices themselves are changed to fit in their new context showing that EC belief shapes EC behavior My study adds a new case study perspective to the sociological examination of the process of spiritual borrowing especially through close inspection of how a spiritual practice changes to fit a new theological context Additionally my book contributes to the study of the complex relationship between belief and behavior *The Emerging Church Trap* Steve Wohlberg,2015-03-01 Yet again author Steve Wohlberg artfully tackles a huge subject in just a handful of words He brings into focus the seemingly nebulous topic of the emerging church movement by joining Scripture with history Jesus Himself firmly noted to His disciples Take heed that no man deceive you For many shall come in my name saying I am Christ and shall deceive many Matthew 24 45 The author makes Christ's solemn warning personal in that you not

only meant the disciples but Christ was speaking directly to you the reader Emerging church proponents maintain that a change is needed in the church today otherwise many will be lost They believe that changes need to be made in churches today to appeal to the electronically minded and to keep up with the times Yet the God of the heavens exclaims I am the Lord I do not change Malachi 3 6 The changes that emerging church advocates such as Leonard Sweet Brian McLaren Richard Foster and others endorse are not really new In fact they are steeped in the Eastern mystic philosophies of Hinduism Buddhism and especially that of medieval Rome Eastern meditation is an attempt to empty the mind Richard Foster wrote in his book *Celebration of Discipline* Those partisan to the emerging church doctrine look to Ignatius Loyola who established the Society of Jesus or the Jesuits as their founding father Inside a cave in Manresa Spain Ignatius emptied his mind The otherworldly impressions did come from a ghostly entity claiming to be the Virgin Mary That ghost gave directions Fine Loyola decided I will obey The Emerging Church Trap page 24 Christ spoke directly to the danger of emptying our minds in the book of Matthew When an unclean spirit goes out of a man he goes through dry places seeking rest and finds none Then he says I will return to my house from which I came And when he comes he finds it empty swept and put in order Then he goes and takes with him seven other spirits more wicked than himself and they enter and dwell there and the last state of that man is worse than the first So shall it also be with this wicked generation Matthew 12 43 45

### **Truth in Balance**

Carmen DiCello, 2009-06-02 The gospel of Jesus provides hope for humanity access to God purpose for human existence and empowerment for daily living These and other benefits are revealed by God but they also require a human messenger It is thus the responsibility of believers to share the truth via life and word In the real world however there are many obstacles to faith which is why it is essential to explain defend and show forth the truth thus the need for apologetics However not all agree on how best to approach apologetics and numerous suggestions have been put forth This is why as Carmen DiCello reminds us it is imperative that we think through what it means to be able to give an answer for the hope that is in us Truth in Balance addresses issues that encourage an apologetic that remains faithful to Scripture while illuminating the beauty and wonder of the Christian gospel in today's culture
