

ROBIN HOOD

a mythic biography

STEPHEN KNIGHT

Robin Hood A Mythic Biography

Nigel Cawthorne

Robin Hood A Mythic Biography:

Robin Hood Stephen Knight, Stephen Thomas Knight, 2009 Knight looks at the different manifestations of Robin Hood at different times and places in a mythic biography with a thematic structure Each of the book's four central chapters identifies a particular model of the hero mythic or biographic

Robin Hood Stephen Knight, 2003 In this engaging and deeply informed book Knight looks at the different manifestations of Robin Hood at different times and places in a mythic biography with a thematic structure

Robin Hood Nick Rennison, 2012-10-10 An informative lively guide through the rich mythology of Robin Hood across all mediums Everyone knows the story of England's greatest folk hero the outlaw who robbed from the rich and gave to the poor This highly entertaining book begins with the search for the historical Robin looking at the candidates for the real Robin Hood who have been proposed over the years from petty thieves to Knights Templar before moving on to examine the many ways in which he has been portrayed in literature and onscreen He began as the hero of dozens of late medieval ballads appeared in plays by contemporaries of Shakespeare and in the Romantic era was reinvented by Walter Scott as a Saxon champion in the struggle against the Normans During the 19th century Robin Hood emerged as a hero in children's literature while more recently he has been portrayed as everything from proto socialist man of the people to anarchist thug In the cinema he put in an appearance as early as 1908 and Douglas Fairbanks and then Errol Flynn turned him into the typical hero of Hollywood swashbucklers In the last 20 years Kevin Costner and Russell Crowe have provided their own very different interpretations of the character On the small screen Robin has been the hero of half a dozen TV shows from the 1950s series starring Richard Greene which used many writers blacklisted by Hollywood via the well remembered Robin of Sherwood in the 1980s to the recent BBC series Robin Hood is still very much with us as the subject of graphic novels and computer games Robin is an archetypal hero who it seems can never die This engaging book charts his life so far

Robin Hood Tammy Gagne, 2015-09 Nestled in the heart of England is the small city of Nottingham Today it is home to a variety of tourist attractions The most famous is Sherwood Forest the legendary home of Robin Hood Nottingham's library includes more than 700 different books about this outlaw who is best known for stealing from the rich and giving to the poor And it's not just Nottingham The adventures of Robin Hood have become the subject of countless movies cartoons and bedtime stories around the globe Nearly everyone knows his name and exploits But was Robin Hood a real living person Is his story based on actual events Or is it merely a legend Like many legends the story of Robin Hood includes both facts and fiction The story has been told and retold for centuries Certainly it has changed along the way One might compare the tale to the telephone game In this popular classroom exercise a sentence is whispered from one person to another until it reaches the other side of the room By the time the last whisper has been spoken the sentence has usually changed at least a bit One person may have heard a word incorrectly Another might have replaced a word or two to make the statement more exciting or funny This is likely the case with Robin Hood as well

Robin Hood David Crook, 2020 Detailed

research into documentary sources offers an exciting new identification of the real Robin Hood For over a century and a half scholars have debated whether or not the legend of Robin Hood was based on an actual outlaw and if so when and where he lived One view is that he was not a legend as such but a myth an idea rather than a person who could possibly be identified in historical records and placed in a real historical and geographical context Other writers have gone even further arguing that he is a literary concoction with no traceable original and that seeking to pin him down to a particular time and location is futile and unnecessary This survey begins by tracing the development of the legend and contemporary views about it between the thirteenth and early twenty first centuries taking account both of new interpretative literature on the subject and fresh discoveries from the author s own research in the early records of the English royal administration and common law It then gives a detailed account of the places that came to be associated with the legend and of evidence illustrating the importance of the outlaw s name in the development of English surnames The concluding chapters deal with the administration of criminal law in medieval England and the evidence that points to the possible origins of the legend in the activities of a notorious Yorkshire criminal tracked down and beheaded in the county in 1225

Reading Robin Hood

Stephen Knight, 2017-09-06 Reading Robin Hood explores and explains stories about the mythic outlaw a figure who always represents the values of natural law and stands up for true justice from the middle ages to the present While a few books have described the outlaw myth usually in its earlier forms and occasional academic essays have commented on elements of the Robin Hood story this is the first in depth analysis of the whole sequence and the varying elements of the adventures of Robin Hood First it explores the medieval tradition from early poems into the long surviving sung ballads and also two major early developments the Scottish version of the outlaw hero here called Rabbie Hood and then around 1600 the gentrified Robin the exiled Earl of Huntington created by socially aspirational writers and partnered by Lady Marian Medievalism passed into memory and early nineteenth century Romantic authors followed by novelists re imagined Robin as strongly involved with nature deeply in love with Marian definitely English not Norman or French and representing in the time of reform the rights of the ordinary man That fitted Robin for the modern world but he did not stop developing In film he has stood up for international Western values even those of a crusader and the modern Marian plays a much more substantial role here for the first time she has a chapter to herself The multiple Robin Hood myth flourishes continuously producing new forms for the hero s story and new understandings of his meaning

The Robin Hood Handbook Mike

Dixon-Kennedy, 1997-09-11 Robin Hood whether riding through the glen robbing the rich to pay the poor or giving the Sheriff of Nottingham his come uppance is one of the most captivating and controversial legendary figures Was there a historical figure behind the legends Did Robin and his Merry Men rampage through Sherwood Forest Or did he spend most of his time in Barnsdale Wood in Yorkshire And is the story of the freedom loving Saxons refusing to be put under the Norman yoke as portrayed in the Errol Flynn films true

The Shakespearean Forest ,

A Brief History of Robin Hood Nigel

Cawthorne,2013-02-07 Who was Robin Hood Throughout history the figures of the hooded man of Sherwood forest and his band of outlaws have transfixed readers and viewers but where does the myth come from The story appeared out of the legend of the Green man but found its location during the reign of Richard II the Lionheart who was away from England fighting in the crusades In his absence his brother John lay waste to the country But does this tell the full story Was Robin a bandit prince ahead of a troop of brigands Who was the Sherrif and was he in fact the legitimate law in the land fighting vigilantes

The Facts on File Companion to British Poetry Before 1600 Michelle M. Sauer,2008 Some of the most important authors in British poetry left their mark on literature before 1600 including Geoffrey Chaucer Edmund Spenser and of course William Shakespeare The Facts On File Companion to British Poetry before 1600 is an encyclopedic guide to British poetry from the beginnings to the year 1600 featuring approximately 600 entries ranging in length from 300 to 2 500 words

Yeah, reviewing a ebook **Robin Hood A Mythic Biography** could mount up your close contacts listings. This is just one of the solutions for you to be successful. As understood, success does not suggest that you have astounding points.

Comprehending as skillfully as pact even more than new will pay for each success. next to, the statement as well as sharpness of this Robin Hood A Mythic Biography can be taken as without difficulty as picked to act.
