**Richard Harrison Martin, Gianni
Versace**

Rock And Royalty Gianni Versace:

Rock and Royalty Gianni Versace, 1996 The ever changing look of Versace's couture as seen and modeled by the kings, queens and jokers of Rock and Roll. A galaxy of stars are shot by photographers such as Avedon, Mapplethorpe, Lord Snowdon and others. 280 illustrations, 220 in full color. Gianni Versace Richard Harrison Martin, Gianni Versace, 1997 Published to accompany an exhibition of Versace design that opened in 1997. With commentary on the major inspirations and themes of the designer, his creative interpretations of the past, his visions of costumes for the opera and the dance, his ideas for the male and his innovative uses of different materials. *House of Versace* Deborah Ball, 2011-01-04 Versace. The very name conjures up images of outrageous glamour and bold sexuality, opulence and daring. All of course true, but only half the story. Versace is also the legacy of a great creative genius from a poor, backward part of southern Italy who transformed the fashion world through his intuitive understanding of both women and how a changing culture influenced the way they wanted to dress. The first book in English about the legendary designer, *House of Versace* shows how Gianni Versace, with his flamboyant sister Donatella at his side, combined his virtuosic talent and extraordinary ambition to almost single-handedly create the celebrity culture we take for granted today. Gianni Versace was at the height of his creative powers when he was murdered in Miami Beach. The story was front-page news around the world, and the manhunt for his killer a media obsession. His beloved sister Donatella demanded no less than a funeral befitting an assassinated head of state to be held in Milan's magnificent cathedral. In what was the ultimate fashion show, the world's rich and beautiful—Princess Dianna, Elton John, Carla Bruni, Naomi Campbell, Carolyn Bessette, Kennedy, Anna Wintour and others—gathered to mourn a man already considered one of fashion's great pioneers. Deborah Ball, a long-time Milan correspondent for *The Wall Street Journal*, conducted hundreds of interviews with Versace family members, Gianni Versace's lovers and business rivals, models such as Naomi Campbell whom he helped shoot to international stardom, and fashion industry icons including Anna Wintour, the legendary editor of *Vogue*. Ball vividly recounts the behind-the-scenes struggles, both creative and business, of Donatella as she stepped out of her brother's long shadow and took control of the House of Versace. The book offers the first inside look at the enormous challenges Donatella faced in living up to Gianni's genius, her struggle with a drug habit, her battles with her brother Santo, and the mystery of why Gianni left control of his house to Donatella's young daughter, Allegra. *House of Versace* is a compelling, highly readable tale of rise from obscurity, a painful fall, and ultimate redemption as the Versace empire returned to health for now. Bringing together fashion, celebrity, business, drama, jet-set lifestyles, and a notorious crime, *House of Versace* is an old-fashioned page-turner about a subject of enduring fascination. **Hercules!** Mick Wall, 2023-09-14. Comprising a vivid and varied series of miniature biographies, revealing profiles, thought-provoking essays, and a multitude of previously unknown anecdotes and quotes, *Hercules: The A to Z of Elton John* is the perfect compendium for the casual fan or devoted connoisseur, providing a funny, comprehensive and fully alphabetised overview of the star's life and music. Charting all the highs and lows, the major

record releases and the significant tours the strokes of genius and the bottoms of barrels this insightful portrait will cover serious subjects such as Elton's battle with the media his highly publicised addictions his route to sobriety his tangled love life and his struggles to come to terms with his sexuality hair loss and temper But as Elton himself always does so well in the hundreds of interviews he has given over the past half century his stories will also be told frankly and humorously his demons now conquered and his success unrelenting And at the heart of this book is a joyride through one of the all time greatest musical catalogues from a brilliant versatile glamorous and universally loved pop superstar *Gianni Versace.
