Cosmic Beginnings Soyinka I. Ogunbusola, 2010-12-23 This genre falls under the category of Sci fi fantasy thriller a works that is just as exciting as the adventures of Lora Croft in Tomb Raiders I chose this genre to create characters that exist outside of the everyday urban scape theme One of the main characters is a black woman a seasoned sea captain for example I wanted to create another kind of hero in another part of the world on another kind of mission based on another mindset more of a West African theme influenced by the folklore of the ancient Yoruba of Southwestern Nigeria which is deeply submerged in cosmological and celestial influences and is viewed as individual characteristic energies expressing themselves universally in allegorical narratives These legends tend to be older than Western civilization I wanted the story to be unique and the characters just as unique This is a story told by the ancestors of the war in heaven before the creation of man this a story of the battle of illumination and darkness the fight to maintain balance between good and evil **Spiritual Avalanche** Steve Hill, 2013 Through a vision of an avalanche God gave Steve Hill a wake up call to today's church Now he shares his revelation and provides the steps we need to take to avoid this destruction We Ride Upon Sticks Quan Barry, 2021-02-16 In the town of Danvers Massachusetts home of the original 1692 witch trials the 1989 Danvers Falcons will do anything to make it to the state finals even if it means tapping into some devilishly dark powers Against a background of irresistible 1980s iconography Quan Barry expertly weaves together the individual and collective progress of this enchanted team as they storm their way through an unforgettable season Helmed by good girl captain Abby Putnam a descendant of the infamous Salem accuser Ann Putnam and her co captain Jen Fiorenza whose bleached blond Claw sees and knows all the Falcons prove to be wily original and bold flaunting society's stale notions of femininity Through the crucible of team sport and more importantly friendship this comic tour de female force chronicles Barry's glorious cast of characters as they charge past every obstacle on the path to finding their glorious true selves
