Gallagher, 2025-09-16 Pam O'Rourke's second marriage is on the rocks. In a last bid to salvage it, she stands on the precipice of moving home to Ireland with her husband Craig. The decision is no small sacrifice; she's leaving behind the community she built in Canada over seventeen years and a prestigious job as an interior designer. But there's another reason she hesitates to make the move. It means saying goodbye to Liam, the true love of her life. After divorcing her first husband many years ago, a chance meeting with Liam brought passion, laughter, and true affection back into her life. The timing wasn't ideal; Liam was married, and Pam wasn't ready to commit to something new, but the spark between them was too powerful to ignore. As Pam reflects on her illicit relationship with Liam and the events that brought her to the moment of her departure from Canada, she wonders if she made the right choices along the way and whether her connection with Liam can survive the ocean that stands between them.
