Roger And The Elephant:

Roger and the Elephant John Kershaw, 1976 *The Elephant's Girl* Celesta Rimington, 2021-08-17 A magical adventure for fans of Katherine Applegate and Jennifer Holm about a girl with a mysterious connection to the elephant who saved her life An elephant never forgets but Lexington Willow can't remember her past Swept away by a tornado as a toddler she was dropped in a nearby Nebraska zoo where an elephant named Nyah protected her from the storm With no trace of her family Lex grew up at the zoo with her foster father Roger her best friend Fisher and the wind whispering in her ear Years later Nyah sends Lex a telepathic image of the woods outside the zoo Soon Lex is wrapped up in an adventure involving ghosts lost treasure and a puzzle that might be the key to finding her family Can Lex summon the courage to discover who she really is and why the tornado brought her here all those years ago **The Afterlives of Animals** Samuel J. M. M. Alberti, 2011 This collection of essays comprises short biographies of a number of famous taxidermied animals Each essay traces the life death and museum afterlife of a specific creature illuminating the overlooked role of the dead beast in the modern human animal encounter through practices as disparate as hunting and zookeeping *The Amusement Park at Sloan's Lake* David Forsyth, 2024-04-01 Sloan's Lake had a long history of entertaining Denver residents with boating fishing swimming and a steamboat canal built in the 1870s In 1890 Adam Graff and his partners opened a new park on the shore of Sloan's Lake that would eventually become Manhattan Beach Originally created as a summer pleasure resort with a highly respected summer theater boating fishing and music the park quickly expanded to include typical amusement attractions including Denver's first roller coaster and merry go round When the concept of the amusement park was created in 1895 with the opening of Sea Lion Park on Coney Island in New York Manhattan Beach was already a step ahead of rivals Elitch Gardens and Arlington Park Operating from 1890 to 1914 Manhattan Beach Amusement Park was the first true amusement park in Denver and was enjoyed by residents and visitors for nearly twenty five years as Denver tried to shake off its image as a dusty cow town from gold mining days and fought to be seen as a sophisticated and well developed city Manhattan Beach played an important role in amusement park history in the United States but its full story has never before been told Manhattan Beach's story is an important addition to both Denver and Colorado's history as it reflects the city's growth during the late 1800s and early 1900s The park has also inspired many legends the most famous of which concerns Roger the Elephant who arrived at Manhattan Beach in 1891 and his supposed death and burial in a swamp near the park Much of what has been told about Manhattan Beach in the years since it closed is more myth than fact as this book demonstrates After the amusement park closed in 1914 the city of Denver purchased the land and turned it into Sloan's Lake Park which continues to be a gathering place for Denverites *The Witch's Head* H. Rider Haggard, 2020-12-08 In *The Witch's Head* H Rider Haggard weaves a captivating tale that explores themes of love betrayal and the supernatural within a richly imagined African setting Employing a vivid narrative style characteristic of Victorian adventure literature Haggard combines intricate character
