Peter Robb

Roger Casement In Death:

Roger Casement in Death, Or, Haunting the Free State W. J. McCormack, 2002 Roger Casement the retired British consular official tried for treason and executed for securing German rifles to help the 1916 Rising in Ireland has been a focus of controversy since the 1930s with specific reference to the so called Black diaries allegedly forged by British intelligence in c 1916 Forensic tests on the diaries commissioned by a committee chaired by W J McCormack have now shown that the diaries were written by Casement This work is centred on W J Maloney whose 1936 book *The Forged Casement Diaries* brought the topic to the attention of the Irish public and was part of an Irish American campaign to influence the domestic politics of the Irish Free State The book raises questions about intelligence work archival engineering IRA unofficial action Nazi propaganda and new light is shed on major figures such as Eamon de Valera and W B Yeats as well as on a cast of colourful bit players *Life and Death of Roger Casement* Denis Gwynn, 194? **Traitor Or Patriot** Denis Gwynn, 2013-10 This is a new release of the original 1931 edition *The Life and Death of Roger Casement* Dennis Gwynn, 1934 *The Life and Death of Roger Casement* Denis Gwynn, 1934 *Irish Political Prisoners 1848-1922* Professor Sean McConville, 2005-08-19 This is the most wide ranging study ever published of political violence and the punishment of Irish political offenders from 1848 to the founding of the Irish Free State in 1922 Those who chose violence to advance their Irish nationalist beliefs ranged from gentlemen revolutionaries to those who openly embraced terrorism or even full scale guerilla war Se n McConville provides a comprehensive survey of Irish revolutionary struggle matching chapters on punishment of offenders with descriptions and analysis of their campaigns Government s response to political violence was determined by a number of factors including not only the nature of the offences but also interest and support from the United States and Australia as well as current objectives of Irish policy **Conan Doyle, Detective** Peter Costello, 2012-10-25 This fascinating book is based on a remarkable discovery Sherlock Holmes s methods of deduction were actually those of his creator and used in order to solve real crimes for Scotland Yard Holmes really did exist in the form of Conan Doyle Author Peter Costello draws on new research to follow the tracks Conan Doyle left as he entered the real word of Sherlock Holmes his fictional outpourings were the direct result of their author s hidden career as an amateur detective and criminologist *The Poor Bigger's Tool* Patrick R. Mullen, 2012-07-16 With the weakening moral authority of the Catholic Church the boom ushered in by the Celtic Tiger and the slow but steady diminishment of the Troubles in the North Ireland has finally stepped out from the shadows of colonial oppression onto the world stage as a major cosmopolitan country Taking its title from a veiled reference to Roger Casement the humanitarian and Irish patriot hanged for treason in James Joyce s *Ulysses* *The Poor Bigger's Tool* demonstrates how the affective labor of Irish queer culture might contribute to a progressive new national image for the Republic and Northern Ireland Looking back to the first wave of Irish modernism in the works of Wilde Synge Casement and Joyce Patrick Mullen reveals how these authors deployed queer aesthetics to shape inclusive forms of national affiliation as

well as to sharpen anti imperialist critiques In its second half the monograph turns its attention to Ireland s postmodernist boom in the works of Patrick McCabe Neil Jordan and Jamie O Neill With readings of *The Butcher Boy* *Breakfast on Pluto* and *At Swim Two Boys* Mullen shows that queer sensibilities and style remain key cultural resources for negotiating the political and economic realities of globalization at the turn of the twenty first century Buttressed by writings of theorists like Marx Foucault and Antonio Negri *The Poor Bigger s Tool* brings Irish literature into a fruitful dialog with queer theory postcolonial studies the history of sexuality and modernist aesthetics

A Death in Brazil Peter Robb, 2014-07-08 Delving into Brazil s baroque past Peter Robb writes about its history of slavery and the richly multicultural but disturbed society that was left in its wake when the practice was abolished in the late nineteenth century Even today Brazil is a nation of almost unimaginable distance between its wealthy and its poor a place of extraordinary levels of crime and violence It is also one of the most beautiful and seductive places on earth Using the art food and the books of its great nineteenth century writer Machado de Assis Robb takes us on a journey into a world like Conrad s *Nostromo* A world so absurdly dramatic like the current president Lula s fight for power that it could have come from one of the country s immensely popular TV soap operas a world where resolution is often only provided by death Like all the best travel writing *A Death in Brazil* immerses you deep into the heart of a fascinating country

The History and Politics of Exhumation Michael L. Nash, 2019-10-21 This book argues that a serious scholarly study on exhumation is long overdue Examining more well known cases such as that of Richard III the Romanovs and Tutankhamen alongside the more obscure Michael Nash explores the motivations beyond exhumation from retribution to repatriation Along the way he explores the influence of Gothic fiction in the eighteenth century the notoriety of the Resurrection Men in the nineteenth century and the archeological heyday of the twentieth century
