Rogue And The Heather:

The American Aberdeen-Angus Herd-book American Aberdeen-Angus Breeders' Association, 1900 **A Contract With My Hybrid Alpha Mate** Ghlowreeeh, 2025-11-02 I accept your offer What He asked in disbelief I said I accept your offer I repeated I would come with you to your pack as your Luna That is what everyone knows it is But between us both I would be nothing but your breeder I would spread my thighs apart for you to put your children inside me and in turn you would give me the reins of power and leadership as your Luna I would get the respect I deserve while you get the children you deserve Rosa Anderson has suffered enough scorned by her family broken by her first mate stripped of dignity and hope Love is a luxury she no longer believes in Hybrid Alpha Ryan of the Cold Moon Pack is feared by all yet shattered by betrayal His first mate cheated on him and he paid the price in blood and humiliation Love He wants nothing to do with it Fate gives them a second chance but neither wants the burden that comes with it Conveniently Ryan needs a breeder Conveniently Rosa needs a title that comes with respect protection and power So they do the unthinkable they form a contract Mate and Luna to the world Breeder and master behind closed doors No love No feelings No heartbreak At least that's what Ryan believes until the woman he never wanted becomes the only thing he can't let go of **Heather's Treehouse: A Macabre Thriller**

Christopher Alan Broadstone, A MACABRE THRILLER For Those Who Love POE Clive BARKER and The TWILIGHT ZONE Purisima Concepci n Mission Tej s 1716 Despelleja los diablos rojos vivos cried Guarco More soldiers ran past the Spanish jailer as he cheered them on Skin the red devils alive I say And may God damn them to hell Roaring with laughter Guarco forced the jail door shut against the whiplash wind and secured it With the intense heat of the day colliding with the cold of this evening tempest hail and worse would soon follow Pulling a torch from its hammered sconce he made his way from the jail's anteroom and down its unlit corridor to look in on his newest prisoner Brezo She did not lift her chin from her chest Witch he growled You hurt my friend You let him kiss and kiss and kiss and you ate his tongue You chewed out his eyes while he choked on his own blood Y you you ou Brezo moved so quickly Guarco did not even see her head jerk or shudder let alone rise her upturned eyes so intense the whites so bared it looked as if two hard boiled eggs had been set into her sockets And for the first time in his life Guarco the jailer felt he had become the prisoner So begins Heather's Treehouse a tale sprigging from the brutal black magic of Native American witchcraft vengeance and the savage merciless end of things in the Old World gone to seed in 1716 and burgeoning 272 years later in the far more modern world of 1988 Edgewood Texas On the outskirts of this sleepy little town the purest form of evil has been nurtured by the blood and somatic fluids of centuries of slaughter and simmering hatred gestating within a morbidly gnarled black oak named Heather's Treehouse by fifteen year old aspiring author Matley Joe Roberts For Matley Sheriff R J Whittaker and the elderly Tawakoni Indian Pappy Sobs the horrific and grisly fight to save Edgewood is a fight not only to save their home and its unsuspecting populace but also their own souls and the higher ideals of humanity It is a reckoning that quickly escalates into the first battle in a timeless war of

tribalism versus individualism ensconced identity fueled vengeance versus commonsense and reason the inevitable result an epic total war ruin that could threaten all of mankind if allowed to flourish and spread beyond the borders of Edgewood And that says the ever wise Pappy Sobs to young Matley is why we fight Cause the very Devil himself might run this world but he still doesn't own it Not as long as we never ever ever lie down Broadstone creates three dimensional mythologies for his fictional worlds and with Heather's Treehouse suggests that if the bad histories man keeps buried underground aren't exhumed they will find a way to burst forth and reclaim an unassuming civilization with a bloody vengeance With sharply defined characters inhabiting a small town familiarity the reader becomes invested in the misfits the bullies and the civil servants to the point where their commingling with supernatural forces results in genuine mind altering shock Written with page turning urgency Heather's Treehouse is yet another gem from an innovative literary mind Jonny Numb Heather's Treehouse is full of unexpected twists and action It's epic it's blood curdling and its raw human drama left me astounded A tale masterfully crafted and brilliantly told The story of Bloodmoon will haunt you for nights to come L R Liverpool Author of The Man In Black
