Role Of Diplomacy In The Policy Of The Prophet PbuH:

The Role Of Diplomacy In The Policy Of The Prophet (Pbuh) Suhaib Alam Siddiqui,2002 Diplomacy today is an art of guidance in international relations between countries It is an art of winning friends dealing with opponents and closing a deal with all the tact of statecraft It is of great interest to understand the usage of diplomacy by the Holy Prophet Muhammad PBUH in leading the successful revolutionary movement of Islam and setting forth an example for the whole of humanity for all times to come The wisdom honesty and sagacity displayed by the Holy Prophet in laying the foundations of the political Islamic state has innumerable instances of diplomatic effort This book brings out the finest instances of diplomacy and statecraft by the greatest statesman Prophet Muhammad PBUH Since Islam and Sunnah are relevant in all ages this book is significantly a great research work for modern day diplomats

Diplomatic Theory of International Relations Paul Sharp,2009-09-03 Diplomacy does not take place simply between states but wherever people live in different groups Paul Sharp argues that the demand for diplomacy and the need for the insights of diplomatic theory are on the rise In contrast to conventional texts which use international relations theories to make sense of what diplomacy and diplomats do this book explores what diplomacy and diplomats can contribute to the big theoretical and practical debates in international relations today Sharp identifies a diplomatic tradition of international thought premised on the way people live in groups the differences between intra and inter group relations and the perspectives which those who handle inter group relations develop about the sorts of international disputes which occur He argues that the lessons of diplomacy are that we should be reluctant to judge ready to appease and alert to the partial grounds on which most universal claims about human beings are made
