Kathleen Uradnik

Roll Away The Stone Saving Americas Children:

Roll Away the Stone Fred Taylor, 2008 **Student's Guide to Landmark Congressional Laws on Youth** Kathleen Uradnik, 2002-01-30 Though it may seem hard to believe it took America's lawmakers some 110 years before they crafted legislation aimed at protecting the welfare of children. Eventually laws were passed to aid and protect children. This ideal student reference examines and explains in detail 20 such laws that have affected America's youth in various ways. A discussion of the history and impact of each law is followed by a carefully edited version of the law itself. Examples include the National School Lunch Act which provided free or reduced cost meals to young students, the Uniform Drinking Age Act which set the national drinking age at 21, the Fair Labor Standard Act, the first successful federal attempt to regulate child labor, and the Selective Service Act which required young men to register for the draft. The landmark laws are divided into three parts: Health and Welfare Laws, Citizenship and Democratic Participation Laws, and Education Laws. The laws are organized chronologically within each section. An introductory overview examines the history of children's issues in federal legislation and explores reform movements and the advocacy of children's concerns. The introduction also makes manifestly clear that students are not an unempowered constituency and have ample opportunities to make their voices heard. A timeline and appendix will also aid student research, making this volume an indispensable guide to America's laws concerning its young people.

Stalking the Spirit Marjory Zoet Bankson, 2014-08-18 What happens when a church chooses to subdivide instead of getting bigger? In 1976 the Church of the Saviour in Washington DC did just that. *Stalking the Spirit* is the story of Seekers Church, a second generation Church of the Saviour community known for its creative worship, open pulpit, shared leadership, strong matrix of mission groups, and generous giving. Seekers Church inherited a tradition of intentional spiritual life, the inward journey to support ministry in daily life, the outward journey. All members understand themselves to be called and equipped for ministry. As a model for other emerging churches within or outside of traditional structures, *Stalking the Spirit* tells the story of Seekers Church whose members sought the Spirit's guidance again and again for the next steps, both individually and as a community.

Rolling Away the Stone Stephen Gottschalk, 2021-12-22 Gottschalk distinguishes himself by placing Christian Science in the larger context of American religion, sheds new light on Eddy's life and work. *Publishers Weekly* This richly detailed study highlights the last two decades of the life of Mary Baker Eddy, a prominent religious thinker whose character and achievement are just beginning to be understood. It is the first book-length discussion of Eddy to make full use of the resources of the Mary Baker Eddy Collection in Boston. *Rolling Away the Stone* focuses on her long-reaching legacy as a Christian thinker, specifically her challenge to the materialism that threatens religious belief and practice. Gottschalk has provided readers with a masterful account of Christian Science in its heyday. This book is a first-rate read for students of American religion and provides a look into how one of the country's more complex religious figures dealt with materialism in the late nineteenth century America. *Religious Studies Review* Gottschalk does a superb job of providing

historical context for the chaotic events of Eddy's final decades Choice Gottschalk's account is well told and enriched by fresh material now available from the Mary Baker Eddy Library for the Betterment of Humanity Christian Science Monitor The book includes a great deal of fresh research and honest scholarship for the individual wanting to sink his or her teeth into a serious study of Eddy you have a lot to look forward to in reading this book The Christian Science Journal

Forthcoming Books Rose Arny, 1999 *Religion, Law, and the Medical Neglect of Children in the United States, 1870-2000* Lynne Curry, 2019-08-01 Drawing upon a diverse range of archival evidence medical treatises religious texts public discourses and legal documents this book examines the rich historical context in which controversies surrounding the medical neglect of children erupted onto the American scene It argues that several nineteenth century developments collided to produce the first criminal prosecutions of parents who rejected medical attendance as a tenet of their religious faith A view of children as distinct biological beings with particularized needs for physical care had engendered both the new medical practice field of pediatrics and a vigorous child welfare movement that forced legislatures and courts to reconsider public and private responsibility for ensuring children's physical well being At the same time a number of healing religions had emerged to challenge the growing authority of medical doctors and the appropriate role of the state in the realm of child welfare The rapid proliferation of the new healing churches and the mixed outcomes of parents' criminal trials reflected ongoing uneasiness about the increasing presence of science in American life The Library Journal, 1999 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Book Review Digest**, 2001 The Methodist Experience in America Volume 2 Russell E. Richey, Kenneth E. Rowe, Jean Miller Schmidt, 2000-11-01 Commissioned by the General Board of Higher Education and Ministry for use in United Methodist doctrine polity history courses From a Sunday school teacher's account of a typical Sunday morning to letters from presidents from architects' opinions for and against the Akron Plan to impassioned speeches demanding full rights for African Americans women homosexuals and laity in the Church this riveting collection of documents will interest scholars clergy and laity alike This Sourcebook part of the two volume set The Methodist Experience in America contains documents from between 1760 and 1998 pertaining to the movements constitutive of American United Methodism The editors identify over two hundred documents by date primary agent and central theme or important action The documents are organized on a strictly chronological basis by the date of the significant action in the excerpt Charts graphs timelines and graphics are also included The Sourcebook has been constructed to be used with the Narrative volume in which the interpretation of individual documents discussions of context details about events and individuals and treatment of the larger developments can be found **Japan and American Children's Books** Sybille Jagusch, 2021-06-18 Drawing from the Library of Congress's massive collection this volume takes readers on a fascinating and informative journey through nearly 200 years of American children's books and periodicals depicting life in Japan from

fanciful travelogues full of exotic stereotypes to serious works about wartime atrocities Published by Rutgers University Press in association with the Library of Congress

Eventually, you will agreed discover a further experience and success by spending more cash. nevertheless when? realize you allow that you require to acquire those all needs in the same way as having significantly cash? Why dont you try to get something basic in the beginning?
