We Want Bama Joseph Goodman,2021-11-09 A lively chronicle of how the 2020 Crimson Tide became Nick Saban's ultimate team Was Alabama's Crimson Tide in 2020 the greatest team of all time The squad went 13 0 in a pandemic year scored a combined 107 points against SEC powerhouses LSU and Florida crushed Ohio State in a National Championship Game 52 24 in a contest that wasn't even that close and followed it up with another top rated signing class Nick Saban called his boys the ultimate team but it wasn't just because they kicked the ever living hell out of everyone on the football field It was because the team leveraged a power and influence born of Southern pride to push back against a hateful legacy of racism that a populist president was exploiting to divide the nation At a time when Americans needed real leaders in the face of so much hate the sports world answered the call and fought back for the soul of the country In the summer of 2020 the Tide players left their training facility and led by their celebrated coach marched to a campus doorway made infamous sixty years earlier by another political demagogue and showed what people can accomplish when they fight together for a just cause in the name of unity The most powerful force in a state crazy for college football had chosen to make a stand and replace George Wallace's Segregation forever with a different message written by one of the players All lives can't matter until Black lives matter There have been some great football teams through the years and they all deserve respect But here's what we know for sure They all would have been appreciative of what this Alabama team represented and proud of what it

Brandt Ayers,2012-11-01 College football is a cultural dynamo the sport that like no other taps into Americans martial spirit and evokes the fervor of religious faith Further it has been a fulcrum of social change its schemes date back to Hannibal and some of its themes are drawn from military history and Shakespeare s tragedies In the great battles of history and contemporary times great warriors make great coaches weak and irresolute generals never win the battle of the gridiron Author Brandt Ayers uses the occasion of the 2013 BCS National Championship game to explore these themes and to highlight the football legacies of the universities of Alabama and Notre Dame *Sheltered By God* Jennifer Pitts Adair,2012-08 On April 27 2011 sixty two tornadoes touched down in Alabama claiming two hundred and fifty three innocent lives One of those tornadoes an EF5 that tracked across Northern Alabama and into Tennessee killed seventy people over a 132 mile path Jennifer Pitts Adair alone in her Capshaw home huddled under blankets and pillows in her master bathroom closet as the massive tornado ripped her home apart around her When it finally ended nothing remained except for the foundation Jennifer lay on and a pile of rubble surrounding her For the next year she documented her family s journey Through her personal journal Jennifer invites us into the life of one survivor during the first year of recovery
