Going Full Speed Steven M. Rosenberg, 2015-03-24 On the football field, Sean Taylor was feared by opposing teams. Off the field, he was loved by those who knew him best, as well as his many fans. Tragically, Sean was killed in a home invasion gone wrong. However, *Going Full Speed: The Sean Taylor Stories* is not just about being at the wrong place at the wrong time. It's Sean's father, Pedro Pete Taylor's recollection of raising, training, then losing his superstar son. But Sean Taylor was no saint. And in the words of his father, he wants to give readers the good, the bad, and the ugly. Sean Taylor touched many lives. In *Going Full Speed*, you'll be touched by stories from family, friends, teammates, coaches, and the owner of the Washington Redskins, and more. Thirty-three people in all share their favorite personal stories of the fallen superstar. You'll hear from names such as University of Miami coaches Larry Coker, Curtis Johnson, Don Soldinger, and teammates Buck Ortega and Jon Vilma. From the Washington Redskins, coaches Gregg Williams and Steve Jackson, teammates Santana Moss, Clinton Portis, Renaldo Wynn, and team owner Daniel Snyder share their favorite anecdotes. Some stories are hilarious, some heartwarming, and some are heartbreaking. So you may want to read this book with a box of tissues close by. Highlights of the book include revelations Sean never before told, life lessons, talks that would serve Sean or frankly anyone well in life, and training tips things Pete Taylor taught Sean in order to get his body and mind ready for school and competition. This book is a must-have for football fans, Sean's fans, student athletes, and parents of athletes.

achieving his dream In the first hours of his final leave before deployment to Iraq Alex was supposed to fly home to see his family and beloved girlfriend Instead he got into his car with two fellow soldiers and two strangers drove to a local bank in Tacoma and committed armed robbery The question that haunted the entire Blum family was Why Why would he ruin his life in such a spectacularly foolish way At first Alex insisted he thought the robbery was just another exercise in the famously daunting Ranger program His attorney presented a case based on the theory that the Ranger indoctrination mirrored that of a cult In the midst of his own personal crisis and in the hopes of helping both Alex and his splintering family cope Ben Blum Alex s first cousin delved into these mysteries growing closer to Alex in the process As he probed further Ben began to question not only Alex but the influence of his superior Luke Elliot Sommer the man who planned the robbery A charismatic combat veteran Sommer s manipulative tendencies combined with a magnetic personality pulled Ben into a relationship that put his loyalties to the test

The Next One Ken Reid,2025-10-21 Behind the scenes to hockey s hidden superstars the scouts who chase teenage prodigies and might never bes across North America and around the world If you attend any junior minor or professional hockey game and you ll spot them often up in the rafters alone busily taking notes and calling their general managers These are the scouts the men and women who have made the job into a lifestyle chasing players across borders working the locals chatting with retired hockey people and visiting remote communities in hopes of finding the next one Yes they scout the likes of Connor McDavid and Connor Bedard and even Wayne Gretzky but scouts really make their mark by finding players who will fit in up and down the lineup the scorer having trouble finding the net the goalie who stands on her head to keep her team in the game the quiet winger who arrives at the rink first and leaves last Scouts don t just birddog talent they evaluate character and grit and drive looking for players who can play even a handful of games in the bigs Hockey s favourite raconteur Ken Reid tells us all about this secret club One scout found himself squeezed into a small car with a bunch of other scouts including Hall of Fame goalie Glenn Hall Former NHLer and pro scout Rick Knickle followed Jordin Tootoo of remote Rankin Inlet even though Tootoo didn t start playing the game until he was eleven years old One scout worked at a maximum security prison only to find himself as a pro scout Another scout went from a farmer who tried his hand at scouting to being a scout who happened to own a farm And Reid takes us behind the scenes at the nascent PWHL where teams furiously scouted their starting lineups with only a few weeks before the season began Always entertaining often illuminating and sometimes hilarious The Next One is the ideal book for anyone who wants to understand hockey beyond the ice
