The Sanctity of Law, Wherein Does it Consist? John William Burgess, 1927 **The American Historical Review**

John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1928 American Historical Review is the oldest scholarly journal of history in the United States and the largest in the world Published by the American Historical Association it covers all areas of historical research Columbia Law Review , 1928 The Mississippi Valley Historical Review , 1928

Faith and Action R. J. Rushdoony, 2019-08-26 Faith and Action is the complete collection of the essays of R J Rushdoony written for the Chalcedon Report between 1965 and 2001 along with several transcripts of his recorded talks The large volume The Roots of Reconstruction only contained his Chalcedon Report essays up until 1985 so most of the essays included in Faith Action were unavailable to readers for many years until now In order to make the author s knowledge more accessible this three volume collection features some of the most extensive indexing we ve ever done including a General Index a History Index a Scripture Index a Works Cited Index and a Chalcedon Report Directory A total of 183 pages of indexing This handsome set of books is a must have for any serious library The central theme of this collection of essays is Christian Reconstruction which to Rushdoony meant the responsibility of Christian citizenship in the Kingdom of God For him his central drive behind his research and writing was to move men to faith and action Rushdoony was primarily an essayist who vigorously and prolifically wrote on a multiplicity of subjects issues and disciplines Despite his being critical of both the contemporary church for its compromise and the humanistic state for its will to be as God these essays are replete with Rushdoony s undying faith in the victory of God in history Rushdoony s big idea was Christian Reconstruction which centered not on a pursuit of political power but rather an equipping of Christians to take back government by means of self government in terms of God s law This three volume collection will no doubt serve the larger church for many generations as they seek first the Kingdom of God in their spheres and in their times **The Chicago Bar Association Record** , 1927

The Masterless Wilfred M. McClay, 2000-11-09 In this provocative book Wilfred McClay considers the long standing tension between individualism and social cohesion in conceptions of American culture Exploring ideas of unity and diversity as they have evolved since the Civil War he illuminates the historical background to our ongoing search for social connectedness and sources of authority in a society increasingly dominated by the premises of individualism McClay borrows D H Lawrence s term masterless men extending its meaning to women as well and argues that it is expressive of both the promise and the peril inherent in the modern American social order Drawing upon a wide range of disciplines including literature sociology political science philosophy psychology and feminist theory McClay identifies a competition between visions of dispersion on the one hand and coalescence on the other as modes of social organization In addition he employs intellectual biography to illuminate the intersection of these ideas with the personal experiences of the thinkers articulating them and shows how these shifting visions are manifestations of a more general ambivalence about the process of national

integration and centralization that has characterized modern American economic political and cultural life **Social Science** ,1928 **Annals of the American Academy of Political and Social Science** ,1928 *The Publishers Weekly* ,1928 **The Bar Association Bulletin** ,1927 The Roman Catholic Church in the Modern State Charles Clinton Marshall,1928 **The Washington Historical Quarterly** ,1926 **The Annals of the American Academy of Political and Social Science** ,1928 International Journal of Ethics ,1928 Includes section Book reviews Books and Notes of the Los Angeles County Free Library Los Angeles County Public Library,1929 **Books and Notes** Los Angeles County Public Library,1926 *Dictionary of Modern American Philosophers* John R. Shook,2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers anda large number of female and minority thinkers whose work has been neglected It includes those intellectualsinvolved in the development of psychology pedagogy sociology anthropology education theology politicalscience and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought **The Outlook** ,1927 **Pacific Northwest Quarterly** ,1927
