Sandra Schmirler won three Canadian and world titles but it was her Olympic gold medal at the 1998 games in Nagano Japan that saw her crowned as Canada s Queen of Curling And it was her demonstrated belief in family friends and the preciousness of life that won her a place in the hearts of everyone she met With her teammates third Jan Betker second Joan McCusker and lead Marcia Gudreit the Saskatchewan four was voted The Canadian Press Team of the Year in 1998 by sports editors and broadcasters across the country after winning that first women s curling gold Sandra Schmirler was voted into the Canadian Curling Hall of Fame just two years before her tragic death from cancer at age 36 Ride of a Lifetime Sandy Hawley,Perry Lefko,2005 In the world of thoroughbred racing and certainly in the chronicles of Canadian sports diminutive Sandy Hawley stands tall as a legend admired as much for his class as his riding ability The native of Oshawa Ontario became one of the greatest jockeys of his generation graduating from his Canadian roots to become one of the best

in North America Hawley rode for a thirty year period during which he won 6 449 of 31 445 races including a record tying four Queens Plate Canadas premier horse race His mounts earned in the excess of 88 million which placed him in the top 10 overall when he retired in 1998 He won the Eclipse Award the equivalent of the Oscars North Americas top jockey twice was named the winner of the Lou Marsh Award as Canadas top athlete previous to him no jockey had ever been a recipient and received the order of Canada Yet Sandy Hawleys story is not all about glory celebrity and wins He suffered two failed marriages which drained much of his income and had his financial status impacted severely by income tax problems He also waged a battle to extricate himself from a contract that threatened his career just when it started to soar But by far his biggest challenge became a battle with melanoma a form of skin cancer He successfully overcame and ultimately beat the disease yet even more impressive was his resolve and determination to ride again For the racing aficionados this book captures all the great moments that made Hawley a star that has stood the test of time But more than anything its a depiction of a person his successes and his failures and more than anything his humanity **Quill & Quire** ,2001

extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada's motto and a good description of this volume's range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada
