

A scenic landscape at sunset or sunrise. The sky is filled with warm, golden light and soft clouds. In the foreground, a dark, gravelly path or road leads towards the horizon. To the right, a paved road curves through a field of tall, dry grass. In the background, rolling hills and mountains are visible under the bright sky. The overall mood is peaceful and contemplative.

We have all known the long
loneliness and we have learned
that the only solution is love and
that love comes with community.

Theology as Autobiography Colby Dickinson,2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one s humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a profound connection that unites them all this book portrays how a critical self examination of one s most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one s sins or brokenness and the articulation of what one believes

The Catholic Worker Movement Mark Zwick, Louise Zwick, 2005 This book is essential reading for understanding the legacy behind the Catholic Worker Movement The founders of the movement

Dorothy Day and Peter Maurin met during the Great Depression in 1932. Their collaboration sparked something in the Church that has been both an inspiration and a reproach to American Catholicism. Dorothy Day is already a cultural icon. Once maligned, she is now being considered for sainthood. From a bohemian circle that included Eugene O'Neill to her controversial labor politics to the founding of the Catholic Worker Movement, she lived out a civil rights pacifism with a spirituality that took radical message of the Gospel to heart. Peter Maurin has been less celebrated but was equally important to the movement that embraced and uplifted the poor among us. Dorothy Day said he was a genius, a saint, an agitator, a writer, a lecturer, a poor man, and a shabby tramp. Mark and Louise Zwick's thorough research into the Catholic Worker Movement reveals who influenced Peter Maurin and Dorothy Day and how the influence materialized into much more than good ideas: Dostoevsky, Catherine of Siena, Teresa of Avila, Francis of Assisi, Therese of Lisieux, Jacques and Raissa Maritain, and many others contributed to fire in the minds of two people that sought to blow the dynamite of the Church in 20th century America. This fascinating and detailed work will be meaningful to readers interested in American history, social justice, religion, and public life. It will also appeal to Catholics wishing to live the Gospel with lives of action, contemplation, and prayer. *Unruly Saint* Danielle L. Mayfield, 2022. In 1933, in the shadow of the Great Depression, Dorothy Day launched the Catholic Worker Movement, a worldwide crusade for equality. In *Unruly Saint*, D. L. Mayfield illuminates the ways in which Day found the love of God in and expressed it for her neighbors during a time of great upheaval.
