Long Lost Coelacanth:

The Long Lost Coelacanth Aliko, 1973-01-01 Describes the Coelacanth a fish thought to have been extinct for seventy million years until one was discovered in 1938 and other examples of plants and animals known as living fossils **The Long Lost Coelacanth** , 1973 Describes the Coelacanth a fish thought to have been extinct for seventy million years until one was discovered in 1938 and other examples of plants and animals known as living fossils *The Annotated Old Four Legs: The story of the coelacanth* Mike Bruton, 2017-11-01 When the famous South African fish scientist Professor JLB Smith published *Old Fourlegs The Story of the Coelacanth* in 1956 he created an international sensation After all this 400 million year old fish known only from fossil remains was thought to have become extinct around 66 million years ago JLB Smith s dramatic account of the discovery of the first and second coelacanths in 1938 and 1952 turned him into a cult figure and put South African science on the world map His book was eventually published in six English editions and translated into nine foreign languages Mike Bruton s *The Annotated Old Fourlegs* includes a facsimile reprint of the original book to which he has added notes and images in the margins that provide an interesting and revealing commentary on Smith s text as well as new introductory and explanatory chapters that bring the coelacanth story up to date **The Half-Life of Facts** Samuel Arbesman, 2013-08-27 New insights from the science of science Facts change all the time Smoking has gone from doctor recommended to deadly We used to think the Earth was the center of the universe and that the brontosaurus was a real dinosaur In short what we know about the world is constantly changing Samuel Arbesman shows us how knowledge in most fields evolves systematically and predictably and how this evolution unfolds in a fascinating way that can have a powerful impact on our lives He takes us through a wide variety of fields including those that change quickly over the course of a few years or over the span of centuries **The Grove Encyclopedia of American Art** Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

History of the Coelacanth Fishes Peter Forey, 1997-11-30 This book evaluates the reputation of the coelacanth presenting up to date accounts of the structure of fossil coelacanths and suggests a family history to show that there have been subtle but significant changes in coelacanth history *A to Zoo* Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning readers advisory or collection development this updated edition of the well known companion makes finding the right picture books for your library a breeze Generations of savvy librarians and educators have relied on this detailed subject guide to children s picture books for all aspects of children s services and this new edition does not disappoint Covering more than 18 000 books published through 2017 it empowers users to identify current and classic titles on topics ranging from apples to zebras Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically this reference applies more than 1 200 intuitive as opposed to formal catalog subject terms to children s picture books making it both a comprehensive and user friendly resource that is

accessible to parents and teachers as well as librarians It can be used to identify titles to fill in gaps in library collections to find books on particular topics for young readers to help teachers locate titles to support lessons or to design thematic programs and story times Title and illustrator indexes in addition to a bibliographic guide arranged alphabetically by author name further extend access to titles

Planetary Hinterlands Pamila Gupta, Sarah Nuttall, Esther Peeren, Hanneke Stuit, 2023-11-09 This open access book considers the concept of the hinterland as a crucial tool for understanding the global and planetary present as a time defined by the lasting legacies of colonialism increasing labor precarity under late capitalist regimes and looming climate disasters Traditionally seen to serve a colonial port or market town the hinterland here becomes a lens to attend to the times and spaces shaped and experienced across the received categories of the urban rural wilderness or nature In straddling these categories the concept of the hinterland foregrounds the human and more than human lively processes and forms of care that go on even in sites defined by capitalist extraction and political abandonment Bringing together scholars from the humanities and social sciences the book rethinks hinterland materialities affectivities and ecologies across places and cultural imaginations Global North and South urban and rural and land and water

Living Fossil: The Story of the Coelacanth Keith Stewart Thomson, 1992-07-17 An engrossing tale of obsession adventure and scientific reasoning Betty Ann Kevles Los Angeles Times In the winter of 1938 a fishing boat by chance dragged from the Indian Ocean a fish thought extinct for 70 million years It was a coelacanth which thrived concurrently with dinosaurs and pterodactyls an animal of major importance to those who study the history of vertebrate life Living Fossil describes the life and habitat of the coelacanth and what scientists have learned about it during fifty years of research It is an exciting and very human story filled with ambitious and brilliant people that reveals much about the practice of modern science

Golden Threads John J. Pikulski, Houghton Mifflin Company, 1991

The Age of Creation Elder Michael Ray Alkire, 2024-12-24 The Age of Creation is based on the King James version of the Holy Bible with proper interpretations through the additions of the original Hebrew words and the translated Greek text It is provided for the whole world to read by which hopefully the reader will gain a more correct understanding of the faith of Abraham that began the entire belief in one Elohim About the Author Elder Michael Ray Alkire began life in humble beginnings and upbringings but his life spiraled out of control as he grew older until he was no longer the person he used to be He is currently a ward of the state of Iowa an incarcerated individual by his own deeds Shortly before his incarceration he was at the lowest point of his life and sought to end it once and for all until the heavenly Father intervened Today he stands as a witness to the Word of Yahweh our Heavenly Father and Creator that his life may find purpose through His will upon my life Many people may perceive that Alkire wrote this book for his own personal redemption but that is incorrect He wrote this book in hopes of helping reveal the truth of God's Word independently of any indoctrination by a university or college He hopes that all may find peace and contentment in His Word and that our heavenly Father gives

mercy to all who seek Him through the acceptance of the price paid by His Son *The Reminiscence Quiz Book* Mike Sherman,2017-07-05 An enduringly popular informative and unusual quiz book specifically produced for work with reminiscence groups Covering the years 1930 to 1969 it draws on memories and experiences of daily life and recalls major events and celebrities More than 600 questions and answers are offered on four topics news people entertainment and daily life Questions can be adapted to all ages and abilities and answers are supported by a wealth of background information ensuring that the answers can be discussed to extend the activity **Bibliography, Books for Children** Association for Childhood Education International,1974 The Amazing Coelacanth Mike Bruton,2018-04-01 This colourful illustrated children s book is aimed at ages 9 14 It recounts the discovery of the first coelacanth in modern times a fish that had been thought to be extinct for many millions of years and was known only from its fossil record In 1939 a specimen was hauled ashore in a fishing net off the South African coast near East London and its identification as a coelacanth made world news Chemistry professor JLB Smith identified the fish and dedicated the rest of his life to searching for live specimens and researching the science surrounding this evolutionary phenomenon This book by ichthyologist Mike Bruton uncovers the mystery of the coelacanth and the thrilling story of its discovery its strange appearance and lifestyle what makes it so special how it evolved and what this has to do with human evolution how and what it eats and who eats it These and many other details provide insight into this amazing fish and its marine companions **Writers Directory** NA NA,2016-03-05 **The Lost Tribes of Bigfoot** Maxim W. Furek,2024-08-22 Paranormal author and rock journalist Maxim Furek has emerged as the 21st century incarnation of John Keel In *The Lost Tribes of Bigfoot* Furek explores the uncharted waters surrounding the cryptid s forbidden realm in a rousing and controversial expos Doug Hajicek *MonsterQuest* In his latest book Maxim Furek a former psychologist and rock journalist delves into the intriguing world of Bigfoot synchronicity embracing interdimensional theories mass hallucinations and Jung s collective unconscious Furek s dedication to the subject is evident in the hundreds of accounts from researchers who strive to answer the question If it s not flesh and blood then what is it This question forms the heart of the author s evocative thesis as he tirelessly scours American and Canadian records for evidence of this elusive cryptid For centuries early newspapers printed accounts of bipedal creatures variously listed as Wild Men Hairy Giants or Sasquatch a narrative that has expanded into a larger scientific religious and paranormal reality This reality as Furek presents it is a complex web of scientific theories religious interpretations and paranormal phenomena that intersect in the study of Bigfoot Furek s investigation into the tribes of true believers congregating at conferences campsites and online websites is a testament to their shared philosophy and Bigfoot s sociocultural energy He takes issue with hoaxers whom he charges have sold their souls but his respect for the believers is unwavering The author challenges traditional beliefs about Bigfoot and encourages readers to embrace the seemingly impossible After reading this book your perspective on Sasquatch will be forever changed as you look at traditional science anthropology and religion through a different lens and with a

different expectation *Literature and the Work of Universality* Alice Duhan, Stefan Helgesson, Christina Kullberg, Paul Tenngart, 2024-07-22 In an age of accelerating ecological crises global inequalities and democratic fragility it has become crucial to achieve renewed articulations of human commonality With anchorage in critical theory as well as world literary studies this volume approaches literature and modes of literary thinking as a key resource for such a task Universality is understood here not as an established universalism but as a horizon towards which intellectual inquiry and literary practices orient themselves In the field of world literature there is by now a wide repertoire of epistemological resources through which claims to universality can be both questioned and reconfigured If at one end of the spectrum world literature confronts us with the spectre of homogenisation and the commodification of difference under a regime of global capitalism at another end renewed forms of philological anthropological and ecological attentiveness to the particulars of languages and texts within the crucible of connected histories allow for defamiliarising perspectives both on received historical narratives and aesthetic practices Vernacularity emerges here as a central point of reference for constructing the universal from within the particular the idiomatic and the experiences of social subordination or complicity **Children's Books** ,1974
