Indigenous Storywork Jo-Ann Archibald, 2008-06-01 Indigenous oral narratives are an important source for and component of Coast Salish knowledge systems Stories are not only to be recounted and passed down they are also intended as tools for teaching Jo ann Archibald worked closely with Elders and storytellers who shared both traditional and personal life experience stories in order to develop ways of bringing storytelling into educational contexts Indigenous Storywork is the result of this research and it demonstrates how stories have the power to educate and heal the heart mind body and spirit It builds on the seven principles of respect responsibility reciprocity reverence holism interrelatedness and synergy that form a

framework for understanding the characteristics of stories appreciating the process of storytelling establishing a receptive learning context and engaging in holistic meaning making

Coming Full Circle Suzanne Crawford O'Brien, 2020-02-17
 Coming Full Circle is an interdisciplinary exploration of the relationships between spirituality and health in several contemporary Coast Salish and Chinook communities in western Washington from 1805 to 2005 Suzanne Crawford O'Brien examines how these communities define what it means to be healthy and how recent tribal community based health programs have applied this understanding to their missions and activities She also explores how contemporary definitions goals and activities relating to health and healing are informed by Coast Salish history and also by indigenous spiritual views of the body which are based on an understanding of the relationship between self ecology and community Coming Full Circle draws on a historical framework in reflecting on contemporary tribal health care efforts and the ways in which they engage indigenous healing traditions alongside twenty first century biomedicine The book makes a strong case for the current shift toward tribally controlled care arguing that local culturally distinct ways of healing and understanding illness must be a part of contemporary Native healthcare Combining in depth archival research extensive ethnographic participant based field work and skillful scholarship on theories of religion and embodiment Crawford O'Brien offers an original and masterful analysis of contemporary Native Americans and their worldviews

Philmont Lawrence R. Murphy, 1972 This classic account is the first and still the best comprehensive history of the Colfax County area of northeastern New Mexico
