Look At My Face:

A Perhaps Line Gary D. Swaim, 2014-11-20 While it is impossible to know how or when a unified view of the self and the universe became divided in our Western view of things Gary D Swaim's poems contend that our world is not dualistic Should we look to Saint Paul or Saint Augustine as responsible for the world's heart rift even occasional heart drift More likely the fault lies in our habit of seeing things as either physical or spiritual material or immaterial for the comfort of categorizing our ideas and experiences into pockets of thought in hopes of exercising a degree of imagined control over the complexities of life Although this collection is divided into halves the line separating these sections is porous or at least permeable Indeed *A Perhaps Line* questions whether that line exists at all with single words stanzas images and even entire poems moving back and forth between the material and the spiritual Swaim's poems are rough around their edges from passing back and forth through a perhaps line uncertain of their places arbitrarily placed here or there all partaking of the material and the spiritual in a collection that merges our divided understanding of ourselves and the universe **Unbelief Trilogy** C. Stone, 2017-11-21 Darkness has a name And its name is Rehabilitation They stole Jacob for whispering to the sky Now I have to break into Rehabilitation a place designed to crush the soul to get him back They say no one ever escapes They're right Not alone But I'm not alone I have a plan A dangerous plan And a soldier who claims he wants to help But can I trust an Elite with my life With Jacob's life If the hidden world and impossible choices in *Divergent* kept you on the edge of your seat the *Unbelief* series will leave you breathless Read the complete trilogy now **Romeo and Juliet of the Projects** Krystal

Armstead, 2022-08-30 These two lost souls find everything they wanted once they step outside of their comfort zones and into each other's arms However some people are meant to fall in love but not meant to be together Can two people with a painful past build a better future Does love really conquer all Bostyn Easy Reel has always felt like he didn't belong He is stuck between two worlds in one world he is being who he really wants to be and in the other world he is being only what his family allows him to be He feels like he is drowning in darkness haunted by his past After finding out that he was adopted Bostyn finds himself on a search to discover who he really is When Meelah Summers meets Bostyn it is as if the broken pieces of her heart fit together perfectly with the broken pieces of his Meelah felt empty growing up without her mother being raised by a father who was never there Meeting Bostyn couldn't have come at a better time The only problem is Meelah's father is a well known drug distributor and Bostyn's adoptive father is the head of the Anne Arundel County Police Department the same police department responsible for killing her mother **Last Choice** T.A.
