Looking Through The Window:

Looking Through Windows Kristin Carter Rowe, 2012-02-29 Looking Through Windows is the fictional story of three neighbors who for very different reasons are lonely and lost but ultimately rediscover themselves when their lives become mysteriously entangled in a web of deceit suspicion and paranormal events Charlotte Webb is a fatigued and spiritless woman loving of her young son but disconnected from her workaholic husband Though discontent Charlotte finds solace in the mysteries of her neighbors the view from her windows serving as the buoy without which she would drown from depression Her preoccupation with spying enmeshes her into the dangerous world of her recently widowed neighbor Isabella a beautiful woman suspected of killing her husband a respected oncologist Charlotte also becomes obsessed with the curious life of her other neighbor Michael a dour man with a fascinating wife who tends to show up at the oddest times and in the most curious of ways Though it is a mystery Looking Through Windows is primarily a story of the windows we all look through windows of opportunity regret and even salvation **Looking Through Water (Revised Edition)** Bob Rich, 2024-09-24 It's 1976 and William McKay is at the top of his game He's taken over the family brokerage firm He has a stunning and accomplished fiancée The NYC Chamber of Commerce has named him the Under 40 Executive of the Year And yet William knows something is missing Then he receives a phone call from his father who disappeared eleven years earlier while William's mother was dying from Alzheimer's Leo's living in the Florida Keys now and he wants William to join him in a father son fishing competition Stunned by this father's audacity suspicious of his motives but even more desperate to leave New York William agrees and heads south in his private jet **Looking Through Images** Emmanuel Alloa, 2021-10-05 Images have always stirred ambivalent reactions Yet whether eliciting fascinated gazes or iconoclastic repulsion from their beholders they have hardly ever been seen as true sources of knowledge They were long viewed as mere appearances placeholders for the things themselves or deceptive illusions Today the traditional critique of the spectacle has given way to an unconditional embrace of the visual However we still lack a persuasive theoretical account of how images work Emmanuel Alloa retraces the history of Western attitudes toward the visual to propose a major rethinking of images as irreplaceable agents of our everyday engagement with the world He examines how ideas of images and their powers have been constructed in Western humanities art theory and philosophy developing a novel genealogy of both visual studies and the concept of the medium Alloa reconstructs the earliest Western media theory Aristotle's concept of the diaphanous milieu of vision and the significance of its subsequent erasure in the history of science Ultimately he argues for a historically informed phenomenology of images and visual media that explains why images are not simply referential depictions windows onto the world Instead images constantly reactivate the power of appearing As media of visualization they allow things to appear that could not be visible except in and through these very material devices **Proceedings of the Board of Education of the City of Albany** Albany (N.Y.). Home of Jesus Philip E. Dotson, 2024-04-15 A creative yet biblically based examination of the person and life of Jesus Christ The Home of Jesus A Conversational Tour journeys through Jesus earthly home from the entrance gate onto the front porch into and through the rooms in the home and exiting onto a pathway for life s travels Readers are led to reflect upon the historicity of Jesus the birth of Jesus the deity of Jesus and the love and incarnate nature of Jesus Did He exist in history Does He exist today Will He exist in the future Along the way the author holds an engaging and thought provoking conversation with readers making this a unique and meaningful reading experience Phil Dotson a skillful tour guide challenges readers to form their own beliefs based on their examination of the evidence for Christ without total reliance on others to tell them what to believe Readers are asked to challenge their own beliefs as well as the beliefs of others to include the author s Accompanying readers on the tour are the voices of other authors poets and even hymn writers including John Bunyan L M Montgomery and John Milton adding to the rich narrative of the journey The first in a series this intriguing book will appeal to believers and nonbelievers alike An excellent addition to personal and church libraries *Supreme Court* ,

partners in each other's professional growth so that they can navigate the obstacles in their professional landscape with renewed focus and a greater sense of individual and collective efficacy. It equips teachers and by extension their students to chart their own course and author their own equitable and joyful mathematical and professional stories. New York
