Loose Hints Upon Education Lord Henry Home Kames, Henry Home, 1996-01-01 **Loose Hints Upon Education** Lord Henry Home Kames, 1993 **Loose Hints Upon Education, Chiefly Concerning the Culture of the Heart** Henry Home Lord Kames, 2023-07-18 Henry Home Lord Kames was an important figure in the Scottish Enlightenment and this book represents his thoughts on education particularly as it pertains to the culture of the heart Kames argues that it is not enough for education to merely provide instruction in the classics and sciences but it must also teach individuals to become virtuous and morally sound This book is a fascinating insight into the philosophical underpinnings of education in the 18th century This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Loose Hints Upon Education, Chiefly Concerning the Culture of the Heart (Classic Reprint)** Henry Home Kames, 2018-01-09 Excerpt from *Loose Hints Upon Education Chiefly Concerning the Culture of the Heart* Of two the difficulty it has to struggle with is not want of ideas but want of words It is wonderful to what degree of underflaming some children arrive very early A child named Martha three years Old had been told jocularly that Martha or Mattie was an ugly name and that he ought to have been called Matilda The child was overheard saying to a younger friend who had not yet got the use of her tongue When you can speak you must not call me Mattie but Matilda There are instances without number of the same kind and in tracing the progress of the mind they deserve well to be recorded About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Loose Hints Upon Education* Henry Home, 1993 *Educational Philosophy* Edward J. Power, 2021-12-12 The first step in education's long road to respectability lay in the ability of its proponents to demonstrate that it was worthy of collaborating with traditional disciplines in the syllabus of higher learning The universities where the infant discipline of education was promoted benefited from scholars who engaged in teaching and research with enthusiasm and preached the gospel of scientific education These schools Teachers College Columbia University the University of Chicago and Stanford University gained a reputation as oases of pedagogical knowledge Soon public and private colleges

alike introduced professional academic programs for the preparation of teachers Foremost among the subjects for these programs was education philosophy with its long history and the impeccable credentials of its ancient and modern expositors Although the principal focus of this study is the history of educational philosophy in colleges and universities it also recognizes educational philosophy s antecedents Chapters cover ancient roots Christian educational theory educational theory and the modern world philosophy and education in early America development of philosophies of education disciplinary maturity for educational philosophy and prospects There is a bibliography and an index

The Moral Culture of the Scottish Enlightenment Thomas Ahnert,2015-01-27 In the Enlightenment it was often argued that moral conduct rather than adherence to theological doctrine was the true measure of religious belief Thomas Ahnert argues that this enlightened emphasis on conduct in religion relied less on arguments from reason alone than has been believed In fact Scottish Enlightenment champions advocated a practical program of moral culture in which revealed religion was of central importance Ahnert traces this to theological controversies going back as far as the Reformation concerning the conditions of salvation His findings present a new point of departure for all scholars interested in the intersection of religion and Enlightenment

Henry Home, Lord Kames and the Scottish Enlightenment William C. Lehmann, 2013-03-09 The purpose of the present study is to present the life and work and thought of a remarkable pioneering figure on the Scottish scene over the middle half broadly of the eighteenth century in their dynamic relations with that most extraordinary intellectual awakening and scientific educational literary and religious development of his time generally known as the Scottish Enlightenment That movement in thought and culture was indeed in more ways than one a unique phenomenon in the history of western culture comparable in its own manner and measure as we shall attempt to point out later with such history making movements or epochs as the Age of Pericles in Greece the Augustan Age in Rome the Renaissance movement in Italy and Western Europe generally the up surge both in science and in letters in England in the seventeenth century and the contemporary movement in France associated with the Encyclopedists This Scottish Enlightenment often also spoken of as the Awakening of Scotland was of course more than a movement merely on the intellectual and cultural level It had also political bearings and was rather directly conditioned by events and changes in the political arena beginning with the Union with England in 1707 and even more directly was it accompanied and conditioned by social and economic changes which were in a short span of time to transform the face of this far northern country almost beyond recognition
