Holy Living: Confession Paul W. Chilcote, 2020-02-18 While physical training has some value, training in holy living is useful for everything. It has promise for this life now and the life to come. 1 Timothy 4:8 Christians crave a deeper, more intimate relationship with God. Spiritual disciplines are activities and practices that guide you in your daily walk through life, bringing you closer to Christ. They also help you to make a difference in our world. Practicing these spiritual disciplines opens you to God's transforming love and help you experience Holy Living. Confession may be good for the soul, as the saying goes, but most people give little thought to its practice at least on a daily basis. Like prayer, a person's needs tend to trigger a confessional response. As a result, we often have a limited understanding of the true nature of the practice. Confession is so much more than a call to apologize; though that is an integral part, Confession is fundamentally relational, providing the opportunity to experience a much fuller relationship with God. This book provides opportunities both to examine and to practice the many forms that confession takes. It begins by looking at our confession of faith, not sins, and what we affirm about the nature and purposes of God. From there, it moves to exploration and practices of individual confession, mutual confession, and worship, which provides one of the most significant contexts for the people of God to confess their sin before God and one another. This is one of a series of eight books. Each book in this series introduces a spiritual practice, suggests ways of living the practice daily, and provides opportunities to grow personally and in a faith community with others who engage with the practice. Each book consists of an introduction and four chapters and includes questions for personal reflection and group discussion. Other disciplines studied: Celebration, Discernment, Neighboring, Simplicity, Study, and Worship.

Repentance in Christian Theology Mark J. Boda, Gordon T. Smith, 2006 This volume is a major resource for the interpretation, theology, and practice of communal and individual penitence. It gives teachers, preachers, and serious students of theology an exhaustive source of information and inspiration for renewing the initial call of Jesus to Repent and believe in the Gospel. Mark 1:15

Swear to God Scott Hahn, 2005-10-18 The most solemn, majestic, and beautiful gifts that Jesus Christ gave to the world are His sacraments. He endowed them with unprecedented and unparalleled power: power to change lives, save souls, and share God's very life. The sacraments are the ordinary means by which God directs the course of each human life and all of world history. The Church celebrates seven sacraments: baptism, Eucharist, confirmation, matrimony, holy orders, confession, and anointing of the sick. Each was established by Jesus for the sake of salvation. When Jesus spoke of the

sacraments He made clear that they were essential Unless one is born of water and the Spirit he cannot enter the kingdom of God Jn 3 5 unless you eat of the flesh of the Son of man and drink His blood you have no life in you Jn 6 53 In Swear to God Dr Scott Hahn explores the richness of Christ's sacraments their doctrine history symbols and rituals Drawing upon the Bible and the Church's tradition he shows how God's covenants with Adam Noah Abraham Moses and David became the driving forces in history When Jesus came to fulfill all these covenants He established a new covenant with greater power than ever before Christians are God's children now Joined to Christ by baptism we can already share in the eternal life of the Trinity a life we hope to know fully in heaven But heaven is with us even now in the sacraments
