## Man Is Gods:

**Man and His Gods** Homer William Smith, 1952      *The Gods of Man: Gods of Nature - God of War* Gary R. Varner, 2007-10-14 Today the majority of humankind worships a single God Although this God is said to be all loving and wanting peace for his worshippers there is very little peace among the three religions based on common theology Judaism Christianity and Islam all foster hatred for one another causing millions of deaths and untold suffering for hundreds of years This book explores the mythic historical and archaeological record to illustrate the history of these conflicts The Gods of Man also looks at how monotheism eventually dominated and destroyed the ancient and peaceful goddess traditions that had existed for thousands of years before Is the God of today simply used to enforce government edicts justify war and to control society Gary R Varner has written several articles and books on ancient religions folklore and mythology He is a member of the American Folklore Society and the Foundation for Mythological Studies      *Jesus Christ Gods Shepherd, and the Man Gods Fellow, on Zach. 13.7. The Outline of Man's Knowledge Clement Wood, 1927      Keyview Barkley "Red" Barkley, 2008-06 This book is a book of some questions to ponder some answers to ponder some propositions some controversial materials It will inform some and possibly outrage some who have a different point of view about your world around us If you have a closed mind it may not be the book for you It is a book with a large background of Bible implications It suggests future events as well as the world situation around you now You will see things that are worth your notice and attention Unlike other more common literature it can be begun at nearly any page It is a volume not to promote one basic ideal but many You should find something pertaining to your own world within these pages something you would like to know or should know It is a book of the discovery of the over looked apparent Some thinking is required If you like to think it should be reading for pleasure You will discover you live in a world of many worlds One of the main ideas of this book is to stimulate one's own thinking facility the brain to more active participation in the world around us The future is better to the thinkers One is not likely to read this book in one setting because it is a thinking book a book to ponder You will see more if you walk so to speak rather than fly through this book as it says in the book Open your eyes and see the darkness close your eyes and see the light      *The Martyrdom of Man* William Winwood Reade, 1923      The Theosophist, 1889      *The Works of Plato* Plato, 1879      **The English Presbyterian Messenger**, 1854      **The City of God** Saint Augustine (of Hippo), 1888      **Encyclopaedia of Religion and Ethics: Mundas-Phrygians** James Hastings, John Alexander Selbie, 1917      **The Theosophical Path** Katherine Augusta Westcott Tingley, 1921      Understanding Yourself Mark L. him but their heart does So you too You just listen GRATITUDE You hear out again and again GRATITUDE And you experience GRATITUDE At first it seems as if you were giving thanks No The second or the third time around you already know Who the Giver of all is all you have to do is attune your heart and let it FEEL the GRATITUDE and you experience the downpour of all mercies goods kindness and all the merits of the Giver of all Christ Who gives everything TO ALL hears everything and first responds to GRATITUDE And yes you do what your Father does With heart felt GRATITUDE what used to be nothing more but mimicking or play is all too real You are still weak feeble and little but you really do what your Father does Glory be to God for everything The Lord is with us
