Man Morals Society:

Moral Man and Immoral Society Reinhold Niebuhr, 2021-01-26 One of the theological classics of the twentieth century Niebuhr's *Moral Man and Immoral Society* argues that using moral persuasion and shaming to affect the behavior of such collectives as corporations and nation states is fruitless as these groups will inevitably seek to promote only their self interest He calls for a realistic assessment of group behavior and enumerates how individual morality can mitigate social immorality This edition includes a foreword by Cornel West that explores the continued interest in Niebuhr's thought and its contemporary relevance Man, Morals and Society John Carl Flugel, 1973 Elements of Man's Moral History Silas

Comfort, 1853 **Man, Morals and Society** John Carl Flugel, 1948 *Moral code of the new moral world, or rational state of Society* John FINCH (Merchant, Liverpool.), 1840 *A Man's Value to Society: Studies in Self Culture and Character* Newell Dwight Hillis, 2019-12-03 In *A Man's Value to Society Studies in Self Culture and Character* Newell Dwight Hillis articulates a compelling exploration of individual moral and character development as vital contributions to society Fusing insights from philosophy psychology and spirituality Hillis employs an accessible didactic style designed to inspire readers toward self improvement and civic responsibility His reflections provide a rich tapestry of anecdotal evidence and cultural references encouraging a holistic view of personal development as intertwined with social welfare all contextualized within the burgeoning progressive era of the early 20th century Newell Dwight Hillis was a prominent clergyman author and social reformer who championed moral and ethical living Influenced by his experiences in the socio religious landscape of America particularly in the wake of industrialization's impact on society Hillis's work seeks to remedy the alienation and moral vacuity that often accompanied rapid societal changes His commitment to self culture and character building reflects a profound belief in the potential for individualized growth to effect broader social change This work is recommended for anyone seeking to understand the interplay between personal development and societal contribution Hillis's insights resonate with the modern reader making this book a timeless guide for those interested in the cultivation of virtues essential for personal fulfillment and community engagement **book II. The individual and the society. book III. Man and the universe**

Hastings Rashdall, 1907 *Transactions of the Ethnological Society of London* Ethnological Society of London, 1865

Present Day Tracts on Subjects of Christian Evidence, Doctrine, and Morals Religious Tract Society (Great Britain), 1883 **Transactions of the Medical Society of the State of New York** Medical Society of the State of New York, 1852 *Religious Transformation in Western Society (Routledge Revivals)* Harvie Ferguson, 2010-12 Originally published in 1992 this remarkable book challenges many of the assumptions governing the Sociology of Religion and the Sociology of Culture by arguing that Western religion is neither science nor morality it is the promise of happiness Learned and incisive it will be essential reading for students of religion culture and anyone interested in the character of Modernity

Making a Moral Society Richard M Reitan, 2009-11-03 This innovative study of ethics in Meiji Japan 1868 1912 explores

the intense struggle to define a common morality for the emerging nation state In the Social Darwinist atmosphere of the time the Japanese state sought to quell uprisings and overcome social disruptions so as to produce national unity and defend its sovereignty against Western encroachment Morality became a crucial means to attain these aims Moral prescriptions for re ordering the population came from all segments of society including Buddhist Christian and Confucian apologists literary figures and artists advocates of natural rights anarchists and women defending nontraditional gender roles Each envisioned a unity grounded in its own moral perspective It was in this tumultuous atmosphere that the academic discipline of ethics rinrigaku emerged not as a value neutral objective form of inquiry as its practitioners claimed but a state sponsored program with its own agenda After examining the broad moral space of civilization Richard Reitan turns to the dominant moral theories of early Meiji and the underlying epistemology that shaped and authorized them He considers the fluidity of moral subjectivity the constantly shifting nature of norms to which we are subject and how we apprehend resist or practice them by juxtaposing rinrigaku texts with moral writings by religious apologists By the beginning of the 1890s moral philosophers in Japan were moving away from the empiricism and utilitarianism of the prior decade and beginning to place spirit at the center of ethical inquiry This shift is explored through the works of two thinkers Inoue Tetsujirō 1856 1944 and Nakashima Rikizo 1858 1918 the first chair of ethics at Tokyo Imperial University Finally Reitan takes a detailed look at the national morality movement kokumin dotoku and its close association with the state before concluding with an outline of some conceptual linkages between the Meiji and later periods With its highly original thesis clear and sound methodology and fluid prose Making a Moral Society will be welcomed by scholars and students of both Japanese intellectual history and ethics in general

Regeneration of Values Sushmita Bhowmik, 2025-03-22 A Comparative Study of the Thoughts of Mahatma Gandhi and Sri Aurobindo reflects upon the different concepts of social moral political and religious values philosophized and propagated by Mahatma Gandhi and Sri Aurobindo Both these two great thinkers of nineteenth twentieth century India tried to reconstruct the social moral political and spiritual life of the entire mankind through the revival of the ancient social and cultural values of India However the means adopted by them towards such regeneration of values were different in many respects Here an attempt has been made to make a comparative study of their concepts of the different values as well as the approaches taken by them

Encyclopedia of Fundamentalism: Volume 3 of Religion & Society Brenda Brasher, 2001-10-19 The Encyclopedia of Fundamentalism is the third volume of the acclaimed Religion Society series The Encyclopedia of Fundamentalism follows a broad definition of fundamentalism and covers fundamentalism across time and place although the emphasis remains on its primary manifestation Protestant fundamentalism in the United States It draws upon the work of historians sociologists religious scholars anthropologists political scientists and others Man, Morals, and Society John Carl Flugel, 1948 **Marxism and Morality** Nicholas Churchich, 2022-01-01 Karl Marx promised in the preface to his Economic and Philosophic Manuscripts of 1844 that he would write an independent pamphlet on ethics

Although he never did so in his later writings he discussed morality extensively Later commentators were more concerned with other aspects of Marx s thought and largely neglected this area As a result Nicholas Churchich s exposition of Marx s thoughts on morality has become the standard work on the subject Thoroughly researched well reasoned and balanced in its argument Marxism and Morality presents a comprehensive and critical analysis of Marx s and Engel s ideas on morality and ethics analysing both strengths and weaknesses Churchich examines morality in its bourgeois and proletarian forms the origin and development of moral ideas moral values and standards egoism and altruism He explores the role of religion and science in communist ethics and discusses the ends and means in the struggle for a classless society Praised by those on both sides of the political divide for his objectivity Churchich s approach remains the definitive evaluation of the ethical arguments of Marxism

Norms, Values, and Society Herlinde Pauer-Studer,1994-08-31 Norms Values and Society is the second Yearbook of the Vienna Circle Institute which was founded in October 1991 The main part of the book contains original contributions to an international symposium the Institute held in October 1993 on ethics and social philosophy The papers deal among others with questions of justice equality just social institutions human rights the connections between rationality and morality and the methodological problems of applied ethics The Documentation section contains previously unpublished papers by Rudolf Carnap Philipp Frank Charles W Morris and Edgar Zilsel and the review section presents new publications on the Vienna Circle The Vienna Circle Institute is devoted to the critical advancement of science and philosophy in the broad tradition of the Vienna Circle as well as to the focusing of cross disciplinary interest on the history and philosophy of science in a social context The Institute s Yearbooks will for the most part document its activities and provide a forum for the discussion of exact philosophy logical and empirical investigations and analysis of language

Suppressed Defence. The defence of Mary-Anne Carlile, to the Vice Society's indictment, against the appendix to the theological works of Thomas Paine; which defence was suppressed by Mr. Justice Best, almost at its commencement, etc Mary Anne Carlile,1821
