Leper Priest of Molokai Richard Stewart, 2000-07-01 Leper Priest of Molokai traces the life of Father Damien from his boyhood in rural Belgium to his death at the leper settlement after sixteen years of remarkable accomplishments Damien overcame major obstacles to become a Catholic priest and serve as a missionary in Hawaii To his spiritual ministry he added the practice of medicine and the skill of a master builder of chapels churches and houses both professions that he taught himself He decried human suffering and in his medical practice he emulated the example of his patron saint Saint Damien the physician who led many to Christianity by the example of the Good Samaritan This biography presents and analyzes much new information about Damien and his years in Hawaii The correspondence between Damien his colleagues in the Catholic church his Protestant supporters and agents of the Hawaiian Board of Health gives a fuller understanding of the extent of Damien's work at the settlement and the tensions underlying his relations with Church bureaucrats who were both impressed by his energy and zeal and irritated by his willfulness and independence But even his detractors could not deny that he was almost singlehandedly responsible for tremendous improvements to Kalaupapa in the face of overwhelming odds This is the story of one humble man with faith in God and in himself who faced gargantuan challenges and triumphed **A Disease Apart** Tony Gould, 2014-10-07 This fascinating cultural and medical history of leprosy enriches our understanding of a still feared biblical disease It is a condition shrouded for centuries in mystery legend and religious fanaticism Societies the world over have vilified its sufferers by the sheer accident of mycobacterial infection they have been condemned to exile and imprisonment illness itself considered evidence of moral taint Over the last 200 years the story of leprosy has witnessed dramatic reversals in terms of both scientific theory and public opinion In **A DISEASE APART** Tony Gould traces the history of this compelling period through the lives of individual men and women intrepid doctors researchers and missionaries and a vast spectrum of patients We meet such pioneers of treatment as the Norwegian microbe hunter Armauer Hansen Though Hansen discovered the leprosy bacillus in 1873 the heredity vs contagion debate raged on for decades Meanwhile across the world Belgian Catholic missionary Father Damien became an international celebrity tending to his stricken flock at the Hawaiian settlement of Molokai He contracted the disease himself To the British leprosy posed an imperial danger to their sprawling colonial system In the 1920s Sir Leonard Rogers of the Indian Medical Service found that the ancient Hindu treatment of chaulmoogra oil could be used in an injectable form The Cajun bayou saw the inspiring rise of leprosy's most

zealous campaigner of all a patient At Carville Louisiana a Jewish Texan pharmacist named Stanley Stein was transformed by leprosy into an eloquent editor and writer He ultimately became a thorn in the side of the U S Public Health Department and a close friend of Tallulah Bankhead The personalities met on this journey are remarkable and their stories unfold against the backgrounds of Norway Hawaii the Philippines Japan South Africa Canada Nigeria Nepal and Louisiana Although since the 1950s drugs treatments have been able to cure cases caught early and arrest advanced cases leprosy remains a subject mired in ignorance In this superb and enlightened book Tony Gould throws light into the shadows **Our Day**, 1905 **The World's Work** Walter Hines Page, Arthur W. Page, 1906 A history of our time **Harper's Weekly**, 1891 *He Spoke to Us* Fr. George Rutler, 2016 These sparkling essays on a variety of interesting subjects are written with insight and wit by an author widely recognized as one of the finest masters of English prose in the Catholic Church today Fr George Rutler touches upon philosophy theology history biography art travel politics and more as he shows Christ making himself known to us in the events of daily life A parish priest in New York City Fr Rutler has seen and been edified by the comings and goings of countless souls He shows that they and indeed all of us are like the men on the road to Emmaus common pedestrians walking often unknowingly with Christ who explains the meaning of things and sets their hearts aflame **Masterplots II**. anchored in God's love one person can impact the world even among the horrors of decay and slow death. In so doing he brought hope to the hopeless, ironically losing his own life for serving theirs.

The Spirit of Father Damien Jan De Volder, 2010-09-13. Foreword by John Allen. Father Damien, famous for his missionary work with exiled lepers on the Hawaiian island of Molokai, is finally Saint Damien. His sanctity took 120 years to become officially recognized, but between his death in 1889 and his canonization in 2009, amid creeping secularization and suspicion of the missionary spirit he so much embodied, Fr. Damien De Veuster never faded from the world's memory. What kept him there? What keeps him there now? To find an answer, Belgian historian and journalist Jan De Volder sifted through Father Damien's personal correspondence as well as the Vatican archives. With careful and even-handed expertise, De Volder follows Father Damien's transformation from the stout, somewhat haughty missionary of his youth, bounding from Europe to Hawaii and straight into seemingly tireless priestly work, to the humble and loving shepherd of souls who eventually succumbed to the same disease that ravaged his flock. De Volder finds that as spiritual father, caretaker, teacher, and advocate, Father Damien accomplished many heroic feats for these poor outcasts. Yet the greatest gift he gave them was their transformation from a disordered, lawless throng, exiled in desperate anarchy into a living community built on Jesus Christ, a community in which they learned to care for one another. Every generation seems to have its own image of this world-famous priest. Already during his life on Molokai and at his death in 1889, many considered him a holy man. Even today, in the highly secularized Western world, he is widely admired. In 2005, his native Belgium honored him with the title "the greatest Belgian" in a poll conducted by their public broadcasting service. Statues honor his memory in the National Statuary Hall of the U.S. Capitol in Washington, D.C. and at the entrance to the Hawaiian State Capitol in Honolulu. In 1995, in the presence of Mother Teresa of Calcutta, Pope John Paul II beatified him in Brussels, Belgium, and in 2009, Pope Benedict XVI canonized him in St. Peter's Basilica in Rome. Today, Father Damien is the unofficial patron of outcasts and those afflicted with HIV/AIDS. De Volder contends that the common thread running through the saint's life is the spirit of Father Damien, that so speaks to the world, is at once uniquely Christian, fully human, and as important today as ever before.

Religious Books 1876-1982, 1983. *Prayer in Nursing* Mary Elizabeth O'Brien, 2003. *Prayer in Nursing: The Spirituality of Compassionate Caregiving* examines the role of prayer in the life of a nurse from a variety of perspectives, including the history of prayer in nursing, the importance of prayer in contemporary caregiving, caring nurse-patient relationships, and the connection between prayer and a healing ministry.
