State And Society In Algeria John P Entelis, Phillip C Naylor, 2019-06-04 On 11 January 1992 senior military officers forced President Chadli Benjedid to resign canceled the second round of legislative elections and annulled the results of the first round which saw the opposition Islamic Salvation Front FIS achieve a major electoral victory and imposed a year long state of siege Constitutional government was replaced by an army dominated so called Higher State Council responsive to no one but itself In the weeks and months that followed further draconian measures were undertaken intended to subvert the incipient democratic process that Algeria had been experiencing in the several years following the deadly riots of October 1988 As part of the army s effort to regain control of state and society it reined in the free wheeling press abolished the country s most popular political party FIS dissolved the National Assembly and reimposed on civil society the apparatus of the omnipresent state security system mukhabarat **Religion and Societies** Carlo Caldarola, 2011-06-01 The series Religion and Society RS contributes to the exploration of religions as social systems both in Western and non Western societies in particular it examines religions in their differentiation from and intersection with other cultural systems such as art economy law and politics Due attention is given to paradigmatic case or comparative studies that exhibit a clear theoretical orientation with the empirical and historical data of religion and such aspects of religion as ritual the religious imagination constructions of tradition iconography or media In addition the formation of religious communities their construction of identity and their relation to society and the wider public are key issues of this series **Politics and Society in Israel** Ernest Krausz, 2017-09-29 This series of the Israeli Sociological Society whose object is to identify and clarify the major themes that occupy social research in Israel today gathers together the best of Israeli social science investigation that was previously scattered in a large variety of international journals Each book in the series is introduced by

integrative essays Each volume focuses on a particular topic the first volume seeks out the dynamics of conflict and integration in a new society the second volume is concerned with the sociology of a unique Israeli social institution the kibbutz The third volume presents sociological perspectives on political life and culture in Israel Articles by leading scholars deal with historical development political culture and ideology political institutions and behavior the social basis of politics and social change Volume III also includes a select bibliography Contributors to Volume III tentative Karl W Deutsch Yonathan Shapiro Dan Horowitz Moshe Lissak Daniel Elazar Asher Arian Charles Liebman Erik Cohen Yoram Peri Ephraim Yaar S Smoocha     King Hussein and the Challenge of Arab Radicalism Uriel Dann,1992     **The Politics of African and Middle Eastern States** Anne Gordon Drabek,Wilfrid Knapp,2013-10-22 The Politics of African and Middle Eastern States An Annotated Bibliography is a record of books written about the politics history and the lives of the leaders of Africa and the Middle East The book is divided per chapter according to the geographical area being discussed Each chapter contains a list of books that fall under the following categories Political History Political Systems and Government Biographies Memoirs Speeches and Writings and External Relations Chapters I to VII cover different regions of Africa while Chapters VIII to XI cover the Middle East The text is a recommended for historians and political scientists especially those interested in the areas mentioned in the book The selection also serves a guide to those who plan to have further readings or make a paper about the political history government and development of the areas mentioned     **A History of Social Justice and Political Power in the Middle East** Linda T. Darling,2013 This book provides a comprehensive survey of the exercise of political power and justice in the Middle East from ancient Mesopotamia through into the 20th century through a detailed examination of the Circle of Justice A must read for students policymakers and ordinary citizens this book will be an important contribution to the areas of political history political theory Middle East studies and Orientalism     Legislative Politics in the Arab World Abdo I. Baaklini,Guilain Denoeux,Robert Springborg,1999 Presents historical comparative and theoretical perspectives on democratization and legislatures in the Arab world supported by six case studies The authors look at the distinctive features of democratization processes in the Arab world discuss the ability of parliaments to provide linkages between government and citizens and present a typology of Arab parliaments revolving around the variables of centrality and capacity The second part of the text consists of case studies in legislative development in Lebanon Morocco Kuwait Yemen and Egypt Annotation copyrighted by Book News Inc Portland OR     **Religious Minorities in Non-Secular Middle Eastern and North African States** Mark Tessler,2019-07-19 This book describes and compares the circumstances and lived experiences of religious minorities in Tunisia Morocco and Israel in the 1970s countries where the identity and mission of the state are strongly and explicitly tied to the religion of the majority The politics and identity of Jews in Tunisia and Morocco and Arabs in Israel are therefore shaped to a substantial degree by their status as religious minorities in non secular states This collection based on in depth fieldwork carried out during an important moment in the history of each

community and of the region considers the nature and implications of each group's response to its circumstances. It focuses on both the community and individual levels of analysis and draws in part on original public opinion surveys. It also compares the three communities in order to offer generalizable insights about ways the identity, political culture and institutional character of a minority group are shaped by the broader political environment in which it resides. The project will appeal to scholars and students in the fields of Middle Eastern and North African studies, Judaic studies, Islamic Studies, minority group politics and international relations and the Arab-Israeli conflict.

#### **Nationalist Voices in Jordan** Betty S.

Anderson, 2009-09-15 According to conventional wisdom the national identity of the Jordanian state was defined by the ruling Hashemite family which has governed the country since the 1920s. But this view overlooks the significant role that the Arab street in this case ordinary Jordanians and Palestinians played and continues to play in defining national identity in Jordan and the Fertile Crescent as a whole. Indeed as this pathfinding study makes clear the street no less than the state has been a major actor in the process of nation building in the Middle East during and after the colonial era. In this book Betty Anderson examines the activities of the Jordanian National Movement (JNM) a collection of leftist political parties that worked to promote pan-Arab unity and oppose the continuation of a separate Jordanian state from the 1920s through the 1950s. Using primary sources including memoirs, interviews, poetry, textbooks and newspapers as well as archival records she shows how the expansion of education, new jobs in the public and private sectors, changes in economic relationships, the establishment of national militaries and the explosion of media outlets all converged to offer ordinary Jordanians and Palestinians who were under the Jordanian government at the time an alternative sense of national identity. Anderson convincingly demonstrates that key elements of the JNM's pan-Arab vision and goals influenced and were ultimately adopted by the Hashemite elite even though the movement itself was politically defeated in 1957.

#### The West Bank Palestinian Family Ibrahim Wade

Ata, 2023-05-31 First published in 1986 *The West Bank Palestinian Family* presents the reader with the first comprehensive study of the evolution of the Palestinian family in the West Bank. The main focus of the work was to identify what changes if any the Palestinian family has undergone over the last three generations of its evolution, an evolution partly spent under Israeli occupation of the West Bank since 1967. The samples used in the research for the book were taken from towns, villages and refugee camps and were subsequently divided into sub-samples of three uniform age groups. The results of the research give a unique and informative view of who is changing, what is changing and at what rate and in what direction. It also shows the differences and uniformities in the attitudes and lifestyles of three generations of the Palestinian families studied. An important historical document, this book is a must-read for scholars of Middle East studies and Middle East politics.

**Algeria** Michael J. Willis, 2022-10-11 When mass protests erupted in Algeria in 2019 on a scale unseen anywhere in the region since the Arab Spring, the outside world was taken by surprise. Algeria had been largely unaffected by the turmoil that engulfed its neighbours in 2011 and it was widely assumed that the population was too

traumatised and cowed by the country's bloody civil war to take to the streets demanding change Michael J Willis offers an explanation of this unexpected development known as the Hirak Movement examining the political and social changes that have occurred in Algeria since the dark decade of the 1990s He examines how the bitter civil conflict was brought to an end and how a fresh political order was established following the 1999 election of a dynamic new leader Abdelaziz Bouteflika Initially underwritten by revenue from Algeria's substantial hydrocarbons resources this new order came to be undermined by falling oil prices an ailing president and a population determined to have its voice heard by an increasingly corrupt out of touch and opaque national leadership Exactly twenty years passed before Bouteflika's presidency was brought to an end by the Hirak protests this book is an authoritative account of them      *Cultures of the Islamic Middle East* John W.
