

The background of the entire image is a photograph of a sunset over the ocean. The sun is a bright, glowing orb in the upper right quadrant, partially obscured by thin, wispy clouds. Its light reflects as a shimmering path across the dark, choppy water. In the lower left foreground, the dark silhouette of a person stands on a rocky shore, looking out at the sea. The sky transitions from a deep blue at the top to a warm orange and yellow near the horizon.

Man That Is Called Jesus:

The Man Called Jesus John P. Kingsland, 1902 **The Man Called Jesus (Classic Reprint)** John P. Kingsland, 2017-07-11

Excerpt from *The Man Called Jesus* IT is a matter of prime importance that the Christian should gain as true and deep an insight as he possibly can into the Character of Him whom he professes to adore and serve The goal of the Christian life is the attainment of Christlikeness But if we are to try to be like Christ we must know what He was like Nay further if we are to gain a true knowledge of God we must learn to know Him through the Man who alone fully declares Him We apprehend the Character of God truly only to the extent to which we have apprehended the Character of Jesus Christ But though the witness of the Gospels has been before the world for eighteen centuries it will hardly be seriously questioned by any thoughtful mind that we are still very far indeed from a true and thorough apprehension of Him whose life and teaching they so simply and graphically record About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *A Man Called Jesus* PASTOR (DR.) MOSES O. GODWIN, 2025-04-14 *A Man Called Jesus* is a profound piece of biblical literature that explores the transformative power of God in the lives of mortal men It delves into the divine ability that replaces the cataracts of the flesh with spiritual sight enabling believers to see beyond human limitations and connect deeply with the realities of the Spirit This book highlights the supernatural power that makes the soul allergic to sin breaking the grip of spiritual blindness and opening the eyes of the heart to truth and righteousness Through the life and ministry of Jesus the Light of the world we see the undeniable evidence that He alone can illuminate the path of man and restore true vision *A Man Called Jesus* is more than a theological reflection it is a call to encounter the Light embrace transformation and walk in the power that only Christ can give **Jesus Is His Name** Daren Drzymala, 2012-06 Rev Drzymala is an old fashion Baptist preacher with a strong desire to see people come and know Jesus Christ *Jesus Is His Name* is a book pointing people to the life ministry and invitation of Jesus Christ If you have never accepted Jesus as your Savior give your life to Him today *John* Jimmy Swaggart, JOHN BIBLE COMMENTARY After nearly 40 years of full time ministry Brother Swaggart published his first commentary on the book of Genesis that was later described as the most helpful Bible commentary ever published It would take nearly 20 years to complete the entire commentary series from Genesis to Revelation True to Pentecostal theology the Jimmy Swaggart Commentary collection leads its readers chapter by chapter to a better understanding of the Bible Rather than providing notes on every Bible verse these commentaries focus on the salient verses of each chapter to offer the reader a condensed synopsis of what the Holy Spirit intended Where most

relevant cultural and historical references are also included along with explanations of the allegories types and symbolisms used in the Bible to add depth and dimension for students of the Holy Scriptures Yet what seems to separate this work from all other commentaries are the biblical applications made to present day circumstances facing every believer Printed on high quality paper and bound with a beautiful hardback cover this unique reference will be cherished by anyone who loves to study the Word of God The Catechism Explained Francis Spirago,1899 This Catechism is divided into three parts The first part treats of faith the second of morals the third of the means of grace In the first part Our Lord appears in His character of Teacher in the second in His character of King and in the third in His character of High Priest And since this Catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many This Catechism is in fact nothing more nor less than an abstract of Our Lord s teaching and may be called a guide book for the Christian on the road to heaven Preface

Eyes of Thomas Robert H. Smith,2009-09-15 John s gospel does not record Thomas s doubt as later generations of Christians have branded the story Rather John presents Thomas s faith In this work Robert H Smith approaches Thomas as one who believes in the reality of incarnation God has a body Too often Smith argues Christians read John s gospel for its lyrical discourses The resulting portrait of Jesus is a cross less Christ a portrait that contributes powerfully to Christian triumphalism In contrast Smith finds that the evangelist always has the cross in view Smith reads John backwards through the eyes of Thomas In so doing he demonstrates the centrality of a wounded Lord in the theology of the gospel But this book does not end with hermeneutics Smith advances his discussion into the life of discipleship Anyone dwelling in Christ s body will be similarly marked What does it mean to live in the world as the marked body of Christ Everyone who poses the question will want to read this book Martha E Stortz Professor of Historical Theology and Ethics Pacific Lutheran Theological
