Time, Space, Stars & Man Michael Mark Woolfson, 2013 The three greatest scientific mysteries which remain poorly understood are the origin of the universe the origin of life and the development of consciousness This book describes the processes preceding the Big Bang the creation of matter the concentration of that matter into stars and planets the development of simple life forms and the theory of evolution that has given higher life forms including mankind There are many popular and excellent science books that present various aspects of science However this book follows a narrow scientific pathway from the Big Bang to mankind and depicts the causal relationship between each step and the next The science covered will be enough to satisfy most readers Many important areas of science are dealt with and these include cosmology particle physics atomic physics galaxy and star formation planet formation and aspects of evolution The necessary science is described in a narrative form that general interest readers should understand without the use of equations or formulae This 2nd edition includes several updates on the subjects that form the pillars of this book They are cosmology and astronomy the features and formation of the solar system the origin of life and genetics and evolution This book will appeal to readers with an interest in biology and those curious about the origins of the universe

A Man Who Loved the Stars John A. Brashear, 2010-11-23 The inspiring story of a man whose avocation as a stargazer and vocation as a millwright led to his development of lenses mirrors and other astronomical apparatus John A Brashear's technological advances were later employed by astronomers in the United States and Europe Brashear also attracted the friendship and financial support of astronomer Samuel Lagley railroad magnate William Thaw Henry Clay Frick and Andrew Carnegie who gave him 20 000 for the construction of Allegheny Observatory in Pittsburgh

Dreaming Beneath the Stars (The Man Beyond the Beast 7) Lynn Stark, Siren Menage Amour ManLove Erotic Romance Contemporary Alternative Paranormal Vampires Shape shifters Werewolves MMM HEA Felix Waverly is trying to escape his past Running is probably futile but he didn't care The attempt the hope was worth the risk However a new beginning might not be in the stars for him If his mother found him he was dead When Felix met two sexy men a vampire and a shifter who insisted they wanted him as their mate it complicated things A happy life with them was unlikely Although he'd been forced to take part in a crime he decided to accept his punishment for his role in the plot to kill innocent people Josef Barrett and Regal Brown had instantly felt the connection upon meeting They realized that they had met the person to become their mate If that hadn't been enough of a surprise they discovered Felix Waverly also tripped every trigger they both had Claiming Felix could prove problematic as they might have to give up their sweet mate forever
