**The Woman Who Lowered the Boom** (Stewart Hoag Mysteries) David Handler, 2024-02-13 This new installment of the Edgar award winning Stewart Hoag mystery series finds the beloved ghostwriter sleuth finally on the precipice of reclaiming his previous literary fame when threats against his editor appear to put both his career and her life in jeopardy. Stewart Hoag is walking on cloud nine after a meeting with his editor Norma Fives where she predicts his new book is sure to establish him as the next great American author. It has been years since he has even dreamed of such success after a crippling case of writer's block limited his literary aspirations to ghostwriting celebrity memoirs. But his happiness is short lived when at his next meeting with Norma she asks for his help in discovering who is behind a series of increasingly threatening letters sent to her attention. Norma herself is not overly concerned about the letters but her boyfriend Detective Lieutenant Romaine Very of the NYPD thinks the threat of violence against Norma should not be so easily dismissed. Very feels the combination of Hoagy's detective skills and knowledge of the underbelly of the publishing world make him the perfect person to investigate the matter. Plus Hoagy is a friend he can trust to take care of the love of his life. Hoagy agrees if for nothing else than to ease the minds of two people he cares about very much. After all this is likely to be nothing more than a dramatic gesture from a frustrated writer. But as Hoagy and his trusty basset hound Lulu investigate the threats move beyond the written word making it clear that someone out there is determined to write a vicious ending to Norma's life. Could it be the wealthy aging children's author? The unethical snake of a literary agent? Or the handsy historian? This is not the return to the literary world that Hoagy dreamed of but he is determined to unravel the mystery before the author of these crimes gets the last word.

**The Blood Red Indian Summer** David Handler, 2011-10-11 This next mystery featuring Mitch Berger and Connecticut State Trooper Des Mitry presents Des with her first genuine racially charged case in the historic New England village of Dorset the gem of Connecticut's Gold Coast. Tyrone Da Beast Grantham the famously volatile NFL superstar linebacker has just been suspended for conduct detrimental to the integrity of and public confidence in the league. When Tyrone and his entourage decide to spend his season in exile in bucolic Dorset much to the dismay of his early to bed ultra white neighbors Des is put on the spot. And when Tyrone's eighteen year old sister in law Kinitra washes up on Mitch's beach one morning bloodied and barely alive Des is on the case. Especially when it turns out that Kinitra is eight weeks pregnant. Good thing there's nothing else serious going on in our heroes' lives right now.
