Man Who Couldnt See Himself A Love Story:

Almost a Love Story Carissa Foo, Erin is a homemaker who hasn't read a book in a long time But that changes when Wendell now a published author returns after twelve years Once they shared a creative partnership he wrote she took notes their closeness defined by the things they never said But when Erin begins to read his novel about a professor and his amanuensis she sees shadows of herself on the page The more she reads the more the boundaries between fact and fiction blur Conversations restart old wounds reopen and the past reshapes the present in quiet irreversible ways After twelve years abroad acclaimed novelist Wendell An Ling returns home and reconnects with Erin once his devoted amanuensis now married who has abandoned reading Their reunion stirs memories of a creative partnership fraught with unspoken tensions mirrored in Wendell's latest novel about a professor and his note taker As Wendell and Erin navigate their tangled history the lines between past and fiction blur revealing a layered exploration of love power and the fragile boundaries between life and literature

The Man who Couldn't See Himself, 1999 In the tradition of such bestselling illustrated classics as Jonathan Livingston Seagull and Off to Sea Torregrossa's *The Man Who Couldn't See Himself* is an enchanting story Whimsically illustrated *The Man Who Couldn't See Himself* tells the story of a man who has lost sight of who he is He is filled with only loneliness and little self esteem To fill this void he buys himself a dog but before long they are both lonely And what evolves is a sublime journey of a man to find himself again In spite of life's daily demands and stresses in his business he decides to make paper flowers a compelling metaphor for how he's now chosen to look at life The paper flowers find their way around and eventually make their way into the hearts of those whose lives they touch One paper flower leads a beautiful woman to him and because he has been able to transform himself he attracts true love The magic of this story occurs at the moment the man decides to surrender himself to what he believes is his fate and comes to terms with his loneliness However instead of allowing his acceptance to become a dismal one he demonstrates a shift in his consciousness and becomes open to the mystery of love It is only then that he is able to let love enter his life and his acceptance of himself is what creates this possibility not the expectation or the egoistic need for love

ending WHEN I LET YOU GO Twelve years ago I ruined my life Lost the one girl I ve ever truly loved and I ve been living a lie ever since I go home to my wife most nights But I m just going through the motions living the life I was born into married to a girl predestined for me It s not my wife s fault but sometimes I can barely stand the sight of her Do I sound like a heartless bastard That s exactly what I am Go ahead and hate me if you want but you couldn t possibly hate me more than I already hate myself My name is Dylan Cole It s a name synonymous with power I am rich beyond measure domineering and ruthless when it comes to getting what I want But I cannot have her This is what happened When I Let You Go Critical Acclaim for Lily Foster Let Me Heal Your Heart is a heartbreaking story of first loves and adversity that can be read as a standalone This is an emotional roller coaster about two lost souls given a second chance to be together Told from both protagonists points of view Foster allows us to see the story from a unique perspective and the reader may be surprised where their allegiances lie RT Book Reviews Smart and attractive Carolyn Harris and academically challenged football star Jeremy Rivers find their lives intertwined in a wealthy Connecticut town in this gripping tale that effectively straddles the line between young adult and romance Both the sweetness of young love and the dark underside of high school cliques are effectively depicted by a well developed cast of characters shadowed by tragedy but reaching for independence and happiness While the conventional ending is never in doubt readers will find themselves deeply engaged by Carolyn and Jeremy and the twists and turns of this genuinely engrossing story Publisher s Weekly The BookLife Prize in Fiction Let Me Fall In the fifth installment of her Let Me series Foster Let Me Heal Your Heart 2015 etc introduces Carolyn Harris a motivated and competent high schooler who has her entire future mapped out She is a stellar student a self declared science nerd and the kindest member of her perpetually back stabbing group of friends She is also dating Drew Oliver the alpha male of the senior class Unfortunately Carolyn is much more interested in Jeremy Rivers the bad boy who returns to her high school after many years at a school for students with learning disabilities Carolyn is nervous but secretly delighted when she is asked by the school counselor to tutor Jeremy They grow close and Carolyn realizes that she cares more deeply for Jeremy than Drew After she dumps Drew Jeremy and Carolyn can be together much to the reader s delight As soon as it seems they couldn t possibly be happier however a whirlwind of disastrous events occurs A secret from Carolyn s past emerges and Drew commits a violent act that upends everyone s lives Carolyn s affluent suburban community suddenly shuns her and her long term life plans begin unraveling She pushes Jeremy away determining herself unworthy of his love The novel toggles between Carolyn s and Jeremy s alternating perspectives allowing the reader to understand their motivations With her character driven plot and fast moving storyline Foster easily keeps readers engaged Although the ending isn t surprising the journey toward that resolution is fraught with unexpected twists Foster s prose is easygoing and readable but she still tackles weighty issues in this romantic story ranging from bullying and sex shaming to mental illness and living with learning disabilities An involving tale of love and redemption that will satisfy discerning fans of the new adult genre Kirkus Reviews Let Me Fall **NIV, Bible for**
