Man Who Created Franco General Emilio Mola:

The Man who Created Franco--General Emilio Mola Hugh Robert Wilson,1972 The Man who Created Franco: General Emilio Mola [By] Hugh R. Wilson ,1972 The House on G Street Lisandro Pérez,2023-10-10 Through the intimate lens of one family the dramatic history that led to the Cuban Revolution is brought to life in this highly personal and moving story that combines memoir oral history family papers and archival research *The History of Modern Spain* Adrian Shubert,José Alvarez Junco,2017-12-14 The History of Modern Spain is a comprehensive examination of Spain s history from the beginning of the 19th century to the present day Bringing together an impressive group of leading figures and emerging scholars in the field from the UK Canada the United States Spain and other European countries the book innovatively combines a strong and clear political narrative with chapters exploring a wide range of thematic topics such as gender family and sexuality nations and nationalism empire environment religion migrations and Spain in world history The volume includes a series of biographical sketches of influential Spaniards from intellectual cultural economic and political spheres which provides an interesting alternative way into understanding the last 220 years of Spanish history The History of Modern Spain also has a glossary a chronology and a further reading list This is essential reading for all students of the modern history of Spain **The Ghost in the Constitution** Joan Ramon Resina,2017 A book that offers new directions in the study of memory in Spain written by one of the world s leading scholars of contemporary Spanish culture *Historical Dictionary of Modern Spain, 1700-1988* Robert W. Kern,Meredith D. Dodge,1990-02-21 This new reference work on Spain could serve as a model for other historical dictionaries Among its winning features are the fact that it treats a topic on which there has not been a single general reference work in this century and that it has an experienced editor who is a noted scholar in his own right a first rate cast of international contributors a judicious choice of entries a consistent style a superior bibliography and a good index Reference Books Bulletin Historians face a number of challenges in interpreting the complexities of modern Spanish history With few authoritative works available in the field the Historical Dictionary of Modern Spain 1700 1988 fills the need for a comprehensive reference and summarizes the work of a new generation of Spanish research It is unique in its wealth of detail from the eighteenth century to the late twentieth and in offering on some topics the only thorough discussion available in English Kern has included six major areas of Spanish history in this volume political governmental diplomatic institutional cultural social and military Several maps illustrations and tables enhance the entries prepared by some seventy scholars from the United States Canada Britain Spain and Latin America From the War of Spanish Succession to the role of Juan Carlos the Dictionary features the latest historiographic interpretations and data The alphabetical listings are cross referenced to related topics and a timeline is provided to establish basic chronology The bibliography includes the more important works on the period since 1700 The Invisible Muslim Medina Tenour Whiteman,2020-04-21 Medina Tenour Whiteman stands at the margins of whiteness and Islam An Anglo American born to Sufi converts she feels perennially out of

place not fully at home in Western or Muslim cultures In this searingly honest memoir Whiteman contemplates what it means to be an invisible Muslim examining the pernicious effects of white Muslim privilege and exploring what Muslim identity can mean the world over in lands of religious diversity and cultural insularity from Andalusia Bosnia and Turkey to Zanzibar India and Iran Through her travels she unearths experiences familiar to both Western Muslims and anyone of mixed heritage a life long search for belonging and the joys and crises of inhabiting more than one identity Congressional Record United States. Congress,1940

Economic Relations Between Nazi Germany and Franco's Spain Christian Leitz,1996 This is the first comprehensive study of the economic relationship between Nazi Germany and Franco s Spain between the outbreak of the Spanish Civil War and the end of the Second World War It demonstrates how during the Spanish Civil War Hitler helped General Franco to victory but at the same time attempted to turn Spain into an economic colony

The Encyclopedia of the Cold War Spencer C. Tucker,2007-09-12 A comprehensive five volume reference on the defining conflict of the second half of the 20th century covering all aspects of the Cold War as it influenced events around the world The conflict that dominated world events for nearly five decades is now captured in a multivolume work of unprecedented magnitude from a publisher widely acclaimed for its authoritative military and historical references Under the direction of internationally known military historian Spencer Tucker ABC CLIO s The Encyclopedia of the Cold War A Political Social and Military History offers the most current and comprehensive treatment ever published of the ideological conflict that not so long ago enveloped the globe From the Second World War to the collapse of the Soviet Union The Encyclopedia of the Cold War provides authoritative information on all military conflicts battlefield and surveillance technologies diplomatic initiatives important individuals and organizations national histories economic developments societal and cultural events and more The nearly 1 300 entries plus topical essays and an extraordinarily rich documents volume draw heavily on recently opened Russian Eastern European and Chinese archives The work is a definitive cornerstone reference on one of the most important historical topics of our time

Historical Dictionary of Spain Angel Smith,2017-12-29 Following Spain s transition to democracy in the 1970s the country experienced rapid economic modernization the establishment of a functioning liberal democracy and a cultural renaissance Along with rising living standards over the following thirty years ordinary Spaniards experienced massive improvements in the road and rail networks in local amenities from sporting facilities to centers for the aged and in the public health system As a result by the start of the 20th century Spaniards had largely overcome any sense of inferiority in comparison with other major western European countries and the United States However Spain was hit by a severe economic recession between 2008 and 2011 and unemployment levels are still very high Moreover a large number of corruption cases have come to light and tensions between the central government and Catalan autonomous government have burst into open conflict Restructuring the Spanish economy ensuring probity in public life and accommodating Catalonia within the Spanish state are therefore key tasks in the decade the lies ahead This third edition of the Historical Dictionary of

Spain contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture The book is an excellent resource for students researchers and anyone wanting to know more about Spain

A Military History of Modern Spain Wayne H. Bowen, José E. Álvarez, 2007-09-30 In the 19th and 20th centuries Spain was a key player in the military conflagrations that created modern Europe From the Napoleonic Wars through the dress rehearsal for World War II that was the Spanish Civil War to the grim struggle against terrorism today the military history of modern Spain has both shaped and reflected larger forces beyond its borders This volume traces the course of Spanish military history primarily during the 20th century Chapter 1 provides the foundation for the role of the Spanish Army at home the War of Independence Napoleonic War the Carlist Wars and pronunciamientos abroad Morocco 1859 60 and as an instrument for Liberal reforms in Spain Chapter 2 covers the period following the Spanish American War as the Army redirected its focus to the Spanish Protectorate in northern Morocco This chapter covers the Rif Rebellion 1921 27 the dictatorship of Miguel Primo de Rivera 1923 30 and concludes with the end of the monarchy and the establishment of the 2nd Republic in 1931 Chapters 3 and 4 present the two armies of the Spanish Civil War as well as their relationship to the warring factions of Nationalists and Republicans Chapter 5 looks at the Spanish Army during World War II on the Eastern Front Russia in its overseas colonies as well as in Spain De colonialism is covered in chapter 6 as Spain following the lead of the other European powers began to shed itself of its African empire Chapter 8 charts Spain s integration into the Western defense community in the 1950s its membership in NATO and its participation in peacekeeping and humanitarian missions in the Balkans and the Middle East Chapter 9 focuses on Spain s struggle against terrorism both the domestic Basques of ETA Fatherland and Liberty and the newer conflict against al Qaeda and radical Islamic fundamentalism

Spain ,1937 **The People's Army in the Spanish Civil War** Alexander Clifford, 2020-03-20 The author of *Fighting for Spain* delivers a military history focused on three major battles Brunete Belchite and Teruel meticulously researched Historical Novel Society Why did the Spanish Republic lose the Spanish Civil War and could the Republic have won These are the key questions Alexander Clifford addresses in this in depth study of the People s Army and the critical battles of Brunete Belchite and Teruel These battles represented the Republic s best chance of military success but after bitter fighting its forces were beaten back From then on the Republic facing the superior army of Franco and the Nationalists aided by Germany and Italy faced inevitable defeat This tightly focused and perceptive account of the military history of the Republic and its army is fascinating reading As well as providing a broad overview of the strategy and tactics of the People s Army and its Nationalist opponents Alexander Clifford quotes vivid eyewitness testimony to give the reader a direct insight into the experience of the frontline soldiers on both sides during these three critical battles Their recollections reveal to the reader what it was like to fight in the scorching heat of the plains around Brunete in the shattered streets of Belchite still ruined to this day and in the frozen

hills of Teruel **Tank Combat in Spain** Anthony J. Candil, 2021-05-03 Recounts in considerable detail how Germany Italy and Soviet Russia intervened in Spain supplying troops and equipment to the warring sides ARMOR Magazine Although Spain had been for many years on the periphery of the great affairs of Europe within a few months of the Civil War breaking out in 1936 three out of the four major European powers Italy Germany and the Soviet Union decided to intervene Spain turned out to be the perfect proving ground to carry out controlled realistic experiments with live weapons and troops This book covers the theories of the three main contributors that provided armor to the warring parties in the civil war how those contributions shaped combat and how the lessons learned were then applied to tank combat in World War II The use of tanks in the Spanish Civil War wedded traditional war to modern technology The fighting in Spain did not offer any easy answers however to the question of infantry armor cooperation primarily because the tanks supplied were not very worthy and had been supplied in small numbers even though the Republicans organized an armored division The situation for the tanks on the Nationalist side was so bad in practical terms that they reused captured Russian armor in their units Tank employment in Spain did offer many lessons but the lessons did not always lie in what was done or accomplished but precisely on what was not done and was not accomplished Offers important insight into the employment of tanks during the war lessons learned or not learned by the participating armed forces Globe at War **Spain: A History** Melveena McKendrick, 2016-02 Out of the division and strife of the Middle Ages Spain emerged from behind the Pyrenees to straddle the stage of European politics like some new colossus Discoverer of a New World it became the greatest power on earth and created a Golden Age of culture breathtaking in its quality and achievement Within 150 years Spain was in a state of decay and fast being left behind by more progressive European nations Here from award winning historian Melveena McKendrick is the dramatic story of the rise and fall of the Spanish Empire Republic Besieged Paul Preston, 2019-08-07 This book is a compilation of several articles about the Spanish Civil War by different authors each one dealing with a matter **General Catalogue of Printed Books** British Museum. Department of Printed Books, 1971 **International Encyclopedia of Military History** James C. Bradford, 2004-12 With its impressive breadth of coverage both geographically and chronologically the International Encyclopedia of Military History is the most up to date and inclusive A Z resource on military history From uniforms and military insignia worn by combatants to the brilliant military leaders and tacticians who commanded them the campaigns and wars to the weapons and equipment used in them this international and multi cultural two volume set is an accessible resource combining the latest scholarship in the field with a world perspective on military history *Fear and Loathing in La Liga* Sid Lowe, 2013-09-26 A history of modern Spain told through one of world football s most intense rivalries Independent Sports Book of the Year Sunday Times It s Messi vs Ronaldo it s Catalonia vs Castilla It s the nation against the state freedom fighters vs Franco s fascists It s majestic goals and mesmerising skills red cards and bench brawls It s the best two teams on the planet going face to face and toe to toe It s more than a game It s a war It s Barcelona vs Real Madrid Only

it's not that simple. From the wounds left by the civil war to the team's recent global domination, historian and expert on Spanish football Sid Lowe lifts the lid on sport's greatest rivalry. Lowe has spoken to the biggest names and the forgotten heroes who defined their clubs. Men like Alfredo Di Stéfano and Johan Cruyff, as well as the only survivor of the most politically charged game in history, the Barcelona striker who knocked Madrid out of the European Cup for the first time ever, and the president who celebrated his club's defining moment by taking a midnight dip in the Thames. By exploring the history, politics, culture, economics, and language while never forgetting the drama on the pitch, Lowe demonstrates the symbiotic nature of the relationship between these two football giants. In doing so, he reveals the human story behind this explosive rivalry.
