Man Who Killed Houdini:

The Man who Killed Houdini Don Bell, 2004 More than two decades of research provide the basis for this true life detective story of the mysterious man who stepped into Harry Houdini's dressing room on an October night in 1926 delivered one fatal sucker punch and then vanished from the public eye completely Nine days after the incident Houdini was dead the victim of a ruptured appendix and his killer a Montreal student named J Gordon Whitehead was nowhere to be found Up to now this tale of a mistimed punch and an untimely death had become myth with many questions still unanswered What happened to the man who threw the fatal punch Who were the two witnesses and how much did they know Was Houdini's death truly an accident Interviews affidavits eyewitness reports of the night and the only known photograph of Whitehead ever published all shed new light on an enduring mystery Written with flair and wit this tale of true crime gradually builds a riveting profile of the life of this intriguing but unknown historical figure finding and then following Houdini's killer **The Man who Killed** Fraser Nixon, 2012 In 1926 Montreal Mick down on his luck accepts a job riding shotgun in a truck running booze across the border a new line of employment that draws him into a world of trouble where he does bad things for money and for the woman he loves *Pranksters* Kembrew McLeod, 2014-04 Profiles the most notorious mischief makers in Western culture from 1600 to the present day and explores how pranks are part of a long tradition of speaking truth to power and social critique **The Life and Afterlife of Harry Houdini** Joe Posnanski, 2020-10-13 Joe Posnanski enters the colorful world of Harry Houdini and his legions of devoted fans to explore the illusionist's impact on global culture and why his legacy endures to this day Nearly a century after Harry Houdini died on Halloween in 1926 he feels as modern and alive as ever The name Houdini still leaps to mind whenever we witness a daring escape The baby who frees herself from her crib Houdini The dog who vanishes and reappears in the neighbor's garden Houdini Every generation produces new disciples of the magician from household names in magic like David Copperfield and David Blaine to countless other followers whose lives have been transformed by the power of Houdini In rural Pennsylvania a thirteen year old girl finds the courage to leave a violent home after learning that Houdini ran away to join the circus she eventually becomes the first female magician to saw a man in half on television In Australia an eight year old boy with a learning impediment feels worthless until he sees an old poster of Houdini advertising Nothing on earth can hold Houdini prisoner and begins his path to becoming that nation's most popular magician In California an actor and Vietnam War veteran finds purpose in his life by uncovering the secrets of his hero But the unique phenomenon of Houdini was always more than his death defying stunts or his ability to escape handcuffs and straitjackets It is also about the power of imagination and self invention His incredible transformation from Ehrich Weiss humble Hungarian immigrant and rabbi's son into the self named Harry Houdini has won him a slice of immortality No one has withstood the test of time quite like Houdini Fueled by Posnanski's personal obsession with the magician and magic itself *The Life and Afterlife of Harry Houdini* is a poignant odyssey of discovery blending biography memoir and first person
