The Man who Made Ireland Tim Pat Coogan,1992 **Michael Collins** Tim Pat Coogan,2015-12-16 When President of the Irish Republic Michael Collins signed the Anglo Irish Treaty in December 1921 he remarked to Lord Birkenhead I may have signed my actual death warrant In August 1922 during the Irish Civil War that prophecy came true Collins was shot and killed by a fellow Irishman in a shocking political assassination So ended the life of the greatest of all Irish nationalists but his visions and legacy lived on This authoritative and comprehensive biography presents the life of a man who became a legend in his own lifetime whose idealistic vigour and determination were matched only by his political realism and supreme organisational abilities Coogan s biography provides a fascinating insight into a great political leader whilst vividly portraying the political unrest in a divided Ireland that can help to shape our understanding of Ireland s recent tumultuous socio political history

Massacre in West Cork: The Dunmanway and Ballygroman Killings Barry Keane,2014-01-17 The deaths in and around Dunmanway in 1922 have always been shrouded in rumour and supposition This book seeks to get to the bottom of them One thing is certain Captain Herbert Woods shot Commandant Michael O Neill of the IRA on the stairs of Ballygroman House at 2 30a m on the 26th April and killed him Who was Herbert Woods and why did shoot an unarmed man Who was Michael O Neill and what was he doing inside the house at that hour of the morning What connection had this event to the killing of ten Protestants in West Cork over the next three nights Are they connected with the killing of four British soldiers in Macroom on the same day What was the effect on the local Protestant minority What happened after Herbert Woods and his Hornibrook relations were arrested by the Irish Republican Police and disappeared This book attempts to answer all these questions

Portraits of Artists

Vivian Valvano Lynch,1999 In this fascinating study Vivian Lynch examines the distinguished career of novelist William Kennedy placing particular emphasis on the Irish and American themes in his work She thoroughly analyzes each of Kennedy's novels and argues that each holds a meaningful place in a cycle that is based on the construction of creative imaginative warriors Her study specifically considers the classical and modern influences on Kennedy's work and addresses the ways in which it is related to the literature of James Joyce In her effort to produce a definitive study of Kennedy's work Lynch relies on a variety of sources including critiques and published interviews as well as personal communication with the author himself

Genesis of the Rising, 1912-1916 Christopher M. Kennedy (Ph. D.),2010 The Easter Rising of 1916 had a lasting effect upon Ireland with many viewing it as a watershed in the history of modern Ireland and concurring with Yeats that a terrible beauty was born Seeking to clarify the state of nationalist opinion in the period before the Rising Genesis of the Rising is as much an undertaking in social psychology as it is a social and political history It strives to debunk many longstanding theories most significantly the turning of the tide thesis which asserts that British blunders in the wake of the failed Rising turned the tide in public opinion toward the course envisioned by the Rebels Genesis of the Rising contends that as early as 1912 with the introduction of the Third Home Rule Bill through the start of the Great War and right up to Easter 1916 the tide in nationalist opinion had been turning albeit silently and that the Rising was a catalytic force that accelerated an already ongoing process It reveals a dichotomy in nationalist opinion between covert views and misleading overt opinion when it suggests that it was the Rising and the executions that subsequently forced nationalist opinion to show its true colors In effect the tide had begun to turn long before Easter 1916 and constitutional nationalism as represented by the Third Home Rule Bill and the Irish Parliamentary Party was giving way to some aspect of physical force nationalism
