**All the Days of My Life: an Autobiography** Amelia E. Barr, 1913. During the ten years in which Austin was their home, Amelia Barr took an active part in the social life of the frontier capital and wrote in her diary vivid pictures of many Texans and local events and scenes. In 1914, much of this material appeared in her autobiography *All the Days of My Life*. Her accounts included women, Sam Houston Indians, who visited the capital, and local affairs concerning the Civil War. Though she did not show it outwardly, Amelia Barr was a mystic and deeply religious. Her life was governed by intuitions and prophetic dreams, many of which she related in striking detail. In 1866, the family moved to Galveston, where Barr had found new employment. In the yellow fever scourge of the next year, Barr and three sons died, leaving Mrs. Barr and three daughters. For a while, she operated a boardinghouse on Tremont Street, but when this venture failed, she went to New York. Tshaonline.org
