life and career in his native Hungary revealing how Curtiz shaped the earliest days of silent cinema in Europe before immigrating to the United States in 1926 In Hollywood Curtiz earned a reputation for explosive tantrums his difficulty with English and disregard for the well being of others However few directors elicited more memorable portrayals from their casts and ten different actors delivered Oscar nominated performances under his direction In addition to his study of the director s remarkable legacy Rode investigates Curtiz s dramatic personal life discussing his enduring creative partnership with his wife screenwriter Bess Meredyth as well as his numerous affairs and children born of his extramarital relationships This meticulously researched biography provides a nuanced understanding of one of the most talented filmmakers of Hollywood s golden age *Man with an Axe* Jon A.
