More Than a Clever Story: What Jesus Wants You to Know About Life From the Parables He Told Brian Onken, 2024-05-07

Jesus parables They are widely known or at least often referenced But does that mean they are well understood Having slipped into the lingua franca of our day we could be missing some of what He was communicating If familiarity breeds contempt perhaps our sense that we know these stories insulates us from what Jesus was saying about life with God If Jesus intended His parables to be much more than helpful illustrations or memorable word pictures we might need to hear them in a fresh way We could be overlooking what is essential if we read His parables simply as clever stories Like a chef who seasons the meal in such a way that the distinctive flavors of each element is enhanced Brian invites the reader into an invigorating and fresh taste of what Jesus says in His parables Reading each parable attentive to Jesus own words and the context in which these stories are found you ll hear the voice of the Savior in renewed ways No longer will you think of His parables as clever stories but you ll find them to be life giving words from Jesus *The Man from Peculiar* J.R. Roberts, DIVINE JUSTICE

Buddhism of Wisdom and Faith Dharma Master Thfch Thien Tam , This Pure Land treatise is to our knowledge the first and only compendium of Pure Land teaching and thought currently available in a Western language In the tradition of the Avatamsaka Sutra which D T Suzuki described as the epitome of Buddhist thought sentiment and experience the author sometimes shifts from one plane of meaning to another at times down to earth at times metaphysical so as to reach readers at every level and to sever attachment to his very words It is in this light that certain paradoxes already familiar to students of Zen illusory but not non existent recitation with no thought of recitation etc should be viewed and understood While the primary focus of this treatise is Pure Land theory and practice more than half of the book is devoted to questions of concern to all Buddhist schools Therefore we suggest the following approach to reading the text according to the background of the reader Zen School Chap VII to IX first Tantrism Chap VI to X first Pure Land Chap I V first The bereaved Chap X All others Note on Pure Land and Epilogue The reader might also familiarize himself with a number of key concepts explained in the Glossary Amitabha Awakening vs Enlightenment Buddha Recitation Merit and Virtue Noumenon phenomena 1 Pure Land etc Whatever his approach he will be forever enriched Once reborn in the Pure Land like the proverbial seeker of the Way he will not only discover the treasure trove Great Awakening but also in time partake at will of its priceless gems attain Enlightenment for the common benefit of all sentient beings Van Hien Study Group I New York Vesak 94
