Man Who Elected Lincoln:

The Man who Elected Lincoln Jay Monaghan,1956 **The Man who Elected Lincoln** Jay Monaghan,1956 How We Elected Lincoln Abram J. Dittenhoefer,2014-06-09 Abram J Dittenhoefer was a young South Carolinian who embraced abolition and moved to New York in order to work for the newly formed Republican party and its antislavery platform Even though he was in his early twenties he quickly established himself as a savvy and creative campaigner and when he encountered Abraham Lincoln in New York City on February 27 1860 a mutual friendship and trust were established Soon Dittenhoefer became a member of Lincoln s political circle and he helped direct both of Lincoln s successful bids for the presidency In How We Elected Lincoln originally published in 1916 and appearing now for the first time in paperback we have the only firsthand account of Lincoln s political campaigns Here Lincoln emerges as a real human being full of doubts and convictions while the usual dry as dust recitation of political facts is transformed into heated vivid nail biting episodes Lincoln was an underdog in both of his elections and Dittenhoefer conveys the extreme tension and acrimony of each campaign Drama surrounds this wartime president who faced a grueling reelection campaign at the same moment he was grappling with the darkest moments for his Union cause Faced with competition within his own party Lincoln resigned himself to defeat but continued to make astute decisions The sudden success of Ulysses S Grant on the battlefield in the autumn of 1864 turned the tide for both the Union Army and Lincoln s fortunes with the electorate According to Dittenhoefer Lincoln s greatest legacy was the eradication of American slavery and in this compact account the author shows from direct experience the difficulties and resistance Lincoln encountered while working to achieve his goal **The Best American History Essays on Lincoln** Organization of American Historians,2009-02-13 This new volume in the Best American History Essays series brings together classic writing from top American historians on one of our greatest presidents Ranging from incisive assessments of his political leadership to explorations of his enigmatic character to reflections on the mythos that has become inseparable from the man each of these contributions expands our understanding of Abraham Lincoln and shows why he has been such an object of enduring fascination Contributors include James McPherson Richard Hofstadter Edmund Wilson David Donald John Hope Franklin James Horton David M Potter Richard Current Mark Neely Gabor S Borritt Jean Baker Don Fehrenbacher Merrill Peterson **Abraham Lincoln, the Man of the People** Norman Hapgood,1899 **How We Elected Lincoln** Abram Jesse Dittenhoefer,1916 **Lincoln's Men** William C. Davis,1999-07-14 I sit down to write you a Soldier s Friend My kind Friend of Friends you have the power to help me a grate deal I have great Confidence in our Good President hoe has dun a grate deal for us poor Soldiers So wrote Private Joe Hass to Abraham Lincoln February 20 1864 Like an extraordinary number of his fellow Union soldiers he loved Lincoln as a father Lincoln inspired feelings unlike those instilled by any previous commander in chief in America In Lincoln s Men William C Davis draws on thousands of unpublished letters and diaries to tell the hidden story of how a new and untested president could become Father Abraham throughout

both the army and the North as a whole How did the Army of the Potomac yearning for the grandeur of McClellan turn instead to the comfort of Old Abe and how was this change of loyalty crucial to final victory How did Lincoln inspire the faith and courage of so many shattered men wandering the inferno of Shiloh or entrenched in the siege of Vicksburg Why did soldiers visiting Washington feel free to stroll into the White House and sit down to relax as if it were their own home Davis removes layers of mythmaking to recapture the moods and feelings of an army facing one of history's bloodiest conflicts Tracing the popular fate of decisions to invoke conscription to fire McClellan and to free the slaves Lincoln's Men casts a new light on our most famous president the light that is of the peculiar mass medium that was the Union Army A motley band of talkers and letter writers the soldiers spread news of Lincoln's appearances like wildfire chortling at his ungainly posture in the saddle rushing up to shake his hand and talk to him The volunteers knew they could approach Old Abe Honest Abe Uncle Abe and Father Abraham and they cheered him thunderously The men could not be restrained from so honoring him said Private Rice Bull He really was the ideal of the Army The story of the making of Father Abraham is the story of America's second revolution its rebirth As one Union soldier and journalist put it Washington taught the world to know us Lincoln taught us to know ourselves The first won for us our independence the last wrought out our manhood and self respect

How We Elected Lincoln Abram Jesse Dittenhoefer,1916 **A Self-Made Man** Sidney Blumenthal,2016 Originally published New York Simon Schuster 2016 Abraham Lincoln - Man Of God John W. Hill,2011-03-23 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **The Man in the White House** Wilfred E. Binkley,2009-05-04 The Constitution of the United States says little about the president's specific duties other than the enforcement of the laws of the land Combining brilliant scholarship with a lively style this book reveals how deep seated forces inherent in American society and affecting the presidency for over two centuries have transformed the office created by the framers of the Constitution into the complex powerful and responsible institution it is today The administrations of the strong presidents have added to the powers and duties of the office as we know them In addition such social and political forces as the growth of political parties economic and geographic expansion and the changing nature of the national government have all had their influence on the presidency These processes are historically traced by the author and illustrated by vivid examples of how they worked in the case of such holders of the office as Washington Jackson Polk Lincoln the two Roosevelts and Eisenhower Every chapter of the book brings a fresh and authoritative approach to an office and an institution that is the subject of searching debates today Abraham Lincoln, a Universal Man Clark Prescott Bissett,1923 We Are Lincoln Men David Herbert Donald,2007-11-01 In this brilliant and illuminating portrait of our sixteenth president two time Pulitzer Prize winner David Herbert Donald examines the significance of friendship in Abraham Lincoln's life and the role it played in shaping his career and his presidency Though

Abraham Lincoln had hundreds of acquaintances and dozens of admirers he had almost no intimate friends Behind his mask of affability and endless stream of humorous anecdotes he maintained an inviolate reserve that only a few were ever able to penetrate Professor Donald s remarkable book offers a fresh way of looking at Abraham Lincoln both as a man who needed friendship and as a leader who understood the importance of friendship in the management of men Donald penetrates Lincoln s mysterious reserve to offer a new picture of the president s inner life and to explain his unsurpassed political skills

Lincoln's Virtues William Lee Miller,2003-02-04 William Lee Miller s ethical biography is a fresh engaging telling of the story of Lincoln s rise to power Through careful scrutiny of Lincoln s actions speeches and writings and of accounts from those who knew him Miller gives us insight into the moral development of a great politician one who made the choice to go into politics and ultimately realized that vocation s fullest moral possibilities As Lincoln s Virtues makes refreshingly clear Lincoln was not born with his face on Mount Rushmore he was an actual human being making choices moral choices in a real world In an account animated by wit and humor Miller follows this unschooled frontier politician s rise showing that the higher he went and the greater his power the worthier his conduct would become He would become that rare bird a great man who was also a good man Uniquely revealing of its subject s heart and mind it represents a major contribution to our understanding and of Lincoln and to the perennial American discussion of the relationship between politics and morality
