The Grateful Dead Gordon Hall Gerould,1908 For the Love of Literature John F. Savage,2000 This brief children s literature text for pre service teachers emphasizes the love of literature in the belief that literature is not just something children read or study it is something that becomes part of them and stays with them for a lifetime It contains up to the minute treatments of all genres of children s literature To help readers

discover the joy of children's literature and how to help others share that joy is a major goal of the book. The emphasis is on the affective dimensions of literature geared toward children's aesthetic responses to the stories and poems that they read. Author profiles, a multicultural focus, topical book lists, and a chapter on technology are elements that help students. Each chapter has an essay written by a scholar, a classroom teacher, or other expert, e.g., a middle school student or book editor who has special knowledge, a particular perspective, or point of view on the chapter topic. Three-four color inserts illustrate the children's books discussed in the text.

**The Nine Cloud Dream** Kim Man-jung, 2019-02-12 Korea's most prized literary masterpiece, a Buddhist journey questioning the illusions of human life presented in a vivid new translation by PEN Hemingway finalist Heinz Insu Fenkl. Named one of the year's most anticipated books by The New York Times. The Millions and i09. Often considered the highest achievement in Korean fiction, *The Nine Cloud Dream* poses the question: Will the life we dream of truly make us happy? Written in 17th century Korea, this classic novel's wondrous story begins when a young monk living on a sacred Lotus Peak in China succumbs to the temptation of eight fairy maidens. For doubting his master's Buddhist teachings, the monk is forced to endure a strange punishment: reincarnation as the most ideal of men. On his journey through this new life, full of material, martial, and sensual accomplishments beyond his wildest dreams, he encounters the eight fairies in human form, each one furthering his path towards understanding the fleeting value of his good fortune. As his successes grow, he comes closer and closer to finally comprehending the fundamental truths of the Buddha's teachings. Like Hesse's *Siddhartha*, *The Nine Cloud Dream* is an unforgettable tale that explores the meaning of a good life and the virtue of living simply with mindfulness. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines.
