MAN WITH A MESSAGE Muriel Jensen,2012-04-16 LIVE WELL LAUGH OFTEN LOVE MUCH Although Mariah Mercer designs and sells plaques with her favorite motto she s having a hard time following it herself At least the LOVE MUCH part In fact she s given up on loving at all after a painful divorce No her quiet life as a dorm mother at the local boarding school in Maple Hill Massachusetts is enough for her And her relationships with the children there give her all the emotional satisfaction she needs No stranger to rejection Cameron Trent has found a haven in the people and town of Maple Hill He d rather not take risks in the love department either So imagine his surprise not to mention Mariah s at what pops out of his mouth during a local spring fair A message that changes their lives forever **Nonfiction Film** Richard Barsam,1992-11-22

Richard Barsam has given us as comprehensive a study of the origins and development of the nonfiction mode in motion pictures as we are ever likely to have in one volume He draws on all the major written sources and many which are little known and he shares with us many eloquent descriptions of the films themselves giving us a valuable textbook Richard Dyer MacCann superb work Historical Journal of Film Radio and Television *The Man with Many Lives* Robert W. Day FSO Retired,2019-10-30 Born in 1919 Robert W Bob Day looks back on the ten decades of his lifetime with wonder and gratitude While recognition and accolades for jobs well done followed him throughout his life it was the adventures and the family friends and co workers with whom he shared those adventures that he remembers most As a youngster Bob never expected his life beyond Leavenworth Kansas to be full of life threatening moments nor moments of serene beauty stretching over four continents but it was He never imagined warding off machine gun wielding revolutionaries poisonous mambo snakes nor a Prince intent on buying his daughter but he did He would have been surprised to know that more than once he would face death in a failing airplane and live to tell the tale Bob recalls all this and more as he celebrates his 100 years of an adventurous life Here in his own words is Bob s story as he remembers it in 2019 **Film and Urban Space** Geraldine

Pratt,2014-06-23 Film and Urban Space Critical Possibilities traces recurring debates about what constitutes film s political potential and argues that the relation between film and urban space has been crucial to these debates and their historical transformations The book demonstrates that in the attempt to follow certain prescriptions shooting on location disrupting normalizing time experimenting with memory interlinking the spaces of screen and cinema films invariably use the relation between film and urban space as a kind of laboratory testing anew received prescriptions but invariably encountering new opportunities and new limits A wide range of key films from Dziga Vertov s 1928 Man with a Movie Camera to Jia Zhangke s

2008 24 City are discussed in depth each offering an argument for how the encounter between specific manifestations of modern urban space and politically engaged film strategies has served to challenge the status quo and stimulate critical thinking

The Man In The Seventh Row Brian Pendreigh, 2013-12-05 The Man in the Seventh Row tells the deeply affecting story of Roy Batty a film fan who loves the cinema just a little too much No matter the movie The Graduate Brief Encounter The Magnificent Seven Roy finds himself sucked from his seventh row seat into the heart of the action on the big screen His life has spiralled into The Purple Rose of Cairo in reverse A fantasy come true or a living nightmare A strange and beguiling novel about films and those who love and live them Ian Rankin What they re saying A most unusual novel proving emphatically that life is possible both inside and outside the cinema It s a very nice lend of the real the fictional and the dream world and I really don t think I ve read anything quite like it before Barry Norman hugely enjoyable Pacy sharp and witty in the proper sense it is a novel that baby boomers and film buffs will strongly relate to and all enthusiasts of unusual of original fiction will take great pleasure in Andrew Marr Pendreigh s infectious love of cinema and brilliant wordcraft combine to make for a singularly enthralling tale of one man s journey through the hardships of life Literally Jen a wholly likeable read Pendreigh s novel is a pleasing dissection of man s all too modern need for escape in darkened auditoriums that posits him somewhere between David Thomson s Suspects and Guy Bellamy s The Secret Lemonade Drinker Paul Dale The List I loved it a terrific read definitely one for fans of film Janice Forsyth Movie Cafe Radio Scotland From the author The book is sub titled The Movie Lover s Novel with good reason as it certainly celebrates a love of the movies You ll doubtless be familiar with many of the classic movies featured but it might also introduce you to one or two less familiar films Ultimately The Man in the Seventh Row it is about childhood and adulthood about obsession and love and about loss and the possibility of redemption Set in Scotland and California the book addresses questions we all have where did we come from where are we going how long do we have

The Man With A Thousand Faces Lex Noteboom, 2025-07-10 A soldier with no name looking for a man that no one has ever seen A student with a past she can t remember And a husband who is a loving father or a ruthless despot Following the death of his twin Daniel Lechkov returns to his homeland for the first time in twenty years His pregnant wife and child want to return home to the West right after the funeral but Daniel faces pressure to succeed his brother as president The former Soviet state of

Kazichia has been ruled by the Lechkov family for three generations and now that the throne is empty the country is poised on a knife s edge International powers are hungry to profit from the country s riches and rebel groups are arming at the nation s borders As tensions rise Daniels wife is strengthened in her conviction that they should flee But then a digital threat insidiously worms its way into Kazichia s telecommunications infrastructure An unknown rebel leader only known as the Man With a Thousand Faces corners the government and threatens a full blown attack All that stands between Kazichia and ruin is Daniel Is he unmerciful enough to lead his country through the crisis And who will he sacrifice to achieve peace In a world where fake news big data and lines between fiction and reality are blurred three people go in search of the truth and the mythical figure driving it all **THE MAN WITH A THOUSAND FACES** Man With A Gun Graham Pryor,2023-04-28 That the gun was kept in a drawer of the old Singer sewing machine was never a secret although when his father died its significance as a reminder of the old man s mysterious occupation was quickly overshadowed by the discovery of a fortune in banknotes in the loft There was too the emergence of some alarming connections with an extreme nationalist organisation And if all that wasn t enough to disrupt his quiet existence the presence of dognappers in the village presented a more immediate cause for concern than how to deal with an unexpected legacy although the inherited gun would come in handy there For the new owner of the gun and very quickly too the quiet Scottish village of Beachborough was transformed into a centre of smuggling money laundering and revolution such a situation of turbulence as had not been known since the Jacobite rising centuries before As a singularly unremarkable man would it be possible for him to stay such an unsettling tide of change or could he maintain his studied convention of spectator

The Philosophy of Documentary Film David LaRocca,2016-12-20 The spirit that founded the volume and guided its development is radically inter and transdisciplinary Dispatches have arrived from anthropology communications English film studies including theory history criticism literary studies including theory history criticism media and screen studies cognitive cultural studies narratology philosophy poetics politics and political theory and as a special aspect of the volume theorist filmmakers make their thoughts known as well Consequently the critical reflections gathered here are decidedly pluralistic and heterogeneous inviting not bracketing or partitioning the dynamism and diversity of the arts humanities social sciences and even natural sciences in so far as we are biological beings who are trying to track our cognitive and perceptual understanding of a nonbiological thing namely film whether celluloid based or in digital form these disciplines so habitually cordoned off from one another are brought together into a shared conversation about a common object and domain of investigation This book will be of interest to theorists and practitioners of nonfiction film to emerging and established scholars contributing to the secondary literature and to those who are intrigued by the kinds of questions and claims that seem native to nonfiction film and who may wish to explore some critical responses to them written in engaging language
