Man With Night Sweats Poems:

The Man with Night Sweats Thom Gunn, 2007-04-17 The Man with Night Sweats is a haunting depiction of a world ravaged by illness that is part elegy for those who have been lost and part evocation of the changes that await those who survive It is also one of the few works of literature that have fully met both the aesthetic and the moral challenges that the AIDS epidemic poses The nobility and sobriety of Thom Gunn's forms enhance and underscore the gravity and pathos of his subjects The results have the cathartic and healing power of great art

The Poetry of Thom Gunn Stefania Michelucci, 2008-12-24 Thom Gunn served as a mouthpiece for his time illustrating the social cultural and historical transformations that have characterized western civilization from World War II until today Starting with theoretical premises drawn from philosophy anthropology and sociology this work examines Thom Gunn's entire poetic career In Gunn's early poetry the author argues the predominant theme is the desire for freedom from the painful prison of the intellect and from the masks that the individual feels compelled to wear even in his sexual relationships In Gunn's later poetry the author notes a gradual opening to human relationships and to Nature which is also Gunn's vindication and reevaluation of his own nature and the liberation of his long repressed and hidden homosexuality

Selected Poems of Thom Gunn Thom Gunn, 2017-07-04 Thom Gunn's controlled use of form and the metaphysical was in evidence from his first collection *Fighting Terms* in 1954 which was widely regarded perhaps not entirely accurately as a contributor to The Movement and the opposition to modernism The same technical ability and formal prowess endured after he moved from Cambridge to San Francisco though became from *The Sense of Movement* 1959 onwards shot through with a new mood of hedonism freedom and the excesses of the gay and counter cultural scenes of 1960s America in poems written in celebration of rock and roll myth and hallucinogenic drugs The 80s saw a shift in this life with the devastation of the Aids epidemic which claimed the lives of a number of Gunn's friends Many of these friends are memorialised in the moving passionate and humane collections of his later years the Forward Prize winning *The Man With the Night Sweats* and *Boss Cupid* Gunn's last collection published in 2000 This *Selected Poems* compiled by his friend Clive Wilmer and accompanied by insightful notes serves to honour a true original a thrill seeker in the language and to exhibit the best of Thom Gunn's electric powerful intensely joyful poems
