Husband,Jonathan F. Husband,2009-07-30 A guide to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read unnumbered series

IN THE BEGINNING: Great Opening Lines From Your Favorite Books Hans Bauer,2023-11-04 Dear Reader IN THE BEGINNING presents the all important first sentence of 1 000 famous and not so famous novels plus a handful of short stories A smorgasbord of popular fiction from around the world ideally these opening lines will have a tremendous attraction for lovers of literature everywhere IN THE BEGINNING is more than just a novelty book Anyone who loves books not only enjoys being reminded of their favorites but also delights in finding a good one they ve missed Those who relish reading and writing will savor a collection that brings back memories of beloved books and often the times in which they were read From Virginia Woolf to Tom Wolfe from Edith Wharton to Stephen King from Ernest Hemingway to Gabriel Garcia Marquez masterpieces of world literature are juxtaposed with trendy best sellers romances with westerns classics with cult favorites

Some lines are well remembered others rarely recalled still others are brilliant beginnings from relatively obscure books But in every case IN THE BEGINNING confirms how powerful a sentence can be Bumping into a familiar line from a beloved novel fills the reader's mind with imagery The great fish moved silently through the night water propelled by short sweeps of its crescent tale Jaws by Peter Benchley While dazzling openers don't guarantee a worthwhile novel expectations run high when we're introduced with Paint me a railroad station then ten minutes before dark John Cheever's Bullet Park or There were 117 psychoanalysts on the Pan Am flight to Vienna and I'd been psychoanalyzed by at least six of them Fear of Flying by Erica Jong Some books reach their zenith with wonderful first lines that are never matched I had this story from one that had no business to tell it to me or to any other That's our initial meeting with the Tarzan series Conversely some rather mundane opening lines are made better because we know the marvelous story that follows like B Traven's Treasure of the Sierra Madre The bench on which Dobbs was sitting was not so good Perhaps not truly memorable but a truly unforgettable character and Bogie didn't do badly by him either Enjoy Hans Bauer

The Man With No Face C. A. W. Parker, 2020-09-21 A victim no one can identify in a town full of secrets Rusty Macduff private detective learnt his trade in London when Victoria was on the throne and the first consulting detectives were on the streets hunting down the sort of criminal who seemed to have stepped from the pages of a halfpenny comic Now he's stuck in the country with a war wound only able to take on the cases everyone else turns down A man has been found murdered in a locked alleyway in an ordinary market town The criminals of old London were bad but tended to leave a trail of clues A criminal like the one he is now dealing with didn't even have the decency to leave the clue of a relatively intact victim But a niche is a niche Rusty has a whole range of techniques to get him through this sort of case and he'll need them and more Something very bad is

happening in a town where nothing is as it seems and Rusty might not have long before the killer strikes again The Rusty Macduff mysteries are addictive laugh out loud golden age detective thrillers for those who like their crime quirky loved by fans of Edmund Crispin and P G Wodehouse The Man with No Face Peter Turnbull,2015-02-03 When a man is found with his face blown off the Glasgow P Division detectives quickly establish his identity But the mystery surrounding his death only deepens When it comes to writing police procedurals Turnbull has few peers This low key Scottish author writes refreshingly intelligent books that are an absorbing blend of gritty murder mystery human interest story psychological profile and wry social commentary Booklist **An Empty Hell** Dave White,2025-04-29 A dark and extremely suspenseful thriller turns

Northern New Jersey into a setting worthy of any classic noir detective series Connecticut Post Two former cops are dead and they have one thing in common Jackson Donne who helped take them down when he was on the force The prevailing thought is that Donne has finally lost it and is murdering old colleagues But New Jersey s most wanted is now in rural Vermont with a new name and a new life Donne is scraping by doing odd jobs at a motel thanks to the owner Mario who asks no questions as long as the work is done But when Mario disappears Donne uncovers connections between them that are more than coincidences Both men ran from their pasts Both men have blood on their hands And now someone is using Mario to get to Donne If Donne has learned anything it s this you can run from the dirty cops in New Jersey but you can t hide And this time they re unleashing hell An Empty Hell is a compulsive redemption story that speeds to a confrontation in a high school gym and takes the series to a place rich with possibilities Milwaukee Journal Sentinel Dynamite the characters the situations the pacing the structure and the writing are so good Publishers Weekly It is amazing how good an author White has become breathing life into the PI genre like Dennis Lehane did years ago with Gone Baby Gone Sons of Spade **The Shaft** David J. Schow,2016-11-13 A low level drug runner named Cruz finds himself exiled from sunny Miami to frigid Chicago He holes up in a decrepit rooming house the Kenilworth Arms in the dead of winter There he meets Jonathan a yuppie struggling to get over a failed romance and Jamaica a prostitute on the payroll of the drug kingpin Bauhaus When Cruz and Jamaica are forced to drop two kilos of cocaine down a ventilation shaft in the rooming house to escape a police raid strange things begin to happen David J Schow s The Shaft features a unique mingling of supernatural horror with the very real dangers involved in drug running creating a uniquely compelling atmosphere Amid the inexplicable terrors of a building that seems weirdly animate and of some loathsome monstrosity lurking in the bottom of the ventilation shaft the pursuit of Cruz Jonathan and Jamaica by Bauhaus and his minions seems by turns insignificant and chillingly immediate

Blind to Sin Dave White,2025-04-29 The line between good and evil explodes in this pulse pounding crime thriller from a fresh vital voice energizing the private eye novel Laura Lippman New York Times bestselling author Though he s a former narcotics cop Jackson Donne doesn t hate being in prison It s his penance after pleading guilty to murdering a state senator He s even made a friend a protector High school basketball coach and private investigator Matt Herrick s father Kenneth is

Donne's cellmate Things could always be worse Herrick hasn't seen his parents in years not since they pulled a bank heist which resulted in his father's arrest and his mother's disappearance All that's about to change Someone with a lot of power and money is springing his father from prison for the job of a lifetime stealing millions from the Federal Reserve in New Jersey And Donne is going along for the ride Given the freedom he never wanted Donne finds himself torn between loyalty and the law between father and son between heaven and hell Both he and Herrick will have to choose who they're willing to live for and who they'd die to protect Praise for Dave White and the Jackson Donne Novels Dave White is everything you hope for in a crime novelist delivering both white knuckle suspense and nuanced characters propulsive action and an emotional wallop These are books that both invigorate the genre and are also truly built to last Megan Abbott New York Times bestselling author It is amazing how good an author White has become breathing life into the PI genre like Dennis Lehane did years ago with *Gone Baby Gone* Sons of Spade Crime Novels: Five Classic Thrillers 1961-1964 (LOA #370) Fredric Brown, Dan J.
