Man With Three Faces Richard Sorge:

The Man with Three Faces Hans Otto Meissner,1956 *I Am Sorge* Darvin Babiuk,2024-12-10 What if you were the greatest spy in modern history and no one believed you John le Carr compared Richard Sorge to his own fictional character George Smiley but argued that he was a better spy Kim Philby Britain's most notorious double agent described him as the spy to end all spies Mitsusada Yoshikawa the Japanese Prosecutor who had him executed said that in his whole life he had never met a greater man His name was Richard Sorge Sent by Soviet General Secretary Stalin to Tokyo just prior to WWII he kept Moscow intimately informed on the dual streams of conflicting internal Japanese policy of whether they would expand their empire by invading North into the USSR or South against British and American possessions in the Pacific Simultaneously he not only provided the exact dates Hitler would invade the USSR but also the intelligence that allowed the Soviet Union to transfer desperately needed Eastern troops keeping the Japanese at bay to the European front and stop Hitler's juggernaut saving the USSR in the process All it cost the USSR for another half century of existence was 40 000 All it cost Sorge was his life **An Impeccable Spy** Owen Matthews,2019-03-21 SHORTLISTED FOR THE PUSHKIN HOUSE PRIZE The most formidable spy in history IAN FLEMING His work was impeccable KIM PHILBY The spy to end spies JOHN LE CARR Born of a German father and a Russian mother Richard Sorge moved in a world of shifting alliances and infinite possibility In the years leading up to and during the Second World War he became a fanatical communist and the Soviet Union's most formidable spy Combining charm with ruthless manipulation he infiltrated and influenced the highest echelons of German Chinese and Japanese society His intelligence proved pivotal to the Soviet counter offensive in the Battle of Moscow which in turn determined the outcome of the war itself Drawing on a wealth of declassified Soviet archives this is a major biography of one of the greatest spies who ever lived The Man with Three Faces Hans-Otto Meissner,1955 Biografi om Richard Sorge 1895-1944 tysk journalist og spion for Sovjetunionen der f r 2 Verdenskrig spionerede i Kina og under krigen spionerede i Japan hvor han i 1941 bl a rapporterede til Moskva at Hitler agtede at indlede et angreb p Sovjetunionen

The Psychology of Spies and Spying Adrian Furnham,John Taylor,2022-06-28 The Psychology of Spies and Spying tells the story of the people involved in spying the human sources agents who betray their country or organisation and the professional intelligence officers who manage the collection and reporting process **The Keeler Keyhole Collection**

Harry Stephen Keeler,2008-04 The Era of World War II Roy Barnard,1977 Special Bibliographic Series US Army Military History Research Collection,1977 **The Case of Richard Sorge** Frederick William Deakin,Richard Storry,1966 Extensive study of a master agent for the Red Army in the Far East considered as a prototype of the ideological spy divorced from national loyalties **Armor** ,1956 **Reeds in the Wind** Nikita Kusnezov,2011 Reeds in the Wind takes you along on the vertiginous journey of a mother with her two children whose lives were suddenly turned upside down by two forces of evil threatening to exterminate millions of people with no relation and understanding of the dark minds behind this tragedy From

a somewhat uneventful life under the Soviet regime the breadbasket of Ukraine became the overlapping target of both Stalin and Hitler and that is where and when it all begins to unravel The City of Kharkov is where the author was born Nikita Kusnezov describes his youth growing up under communism and how alarming events started to replace the daily routine virtually exposing the reader to his hands on experience as the situation keeps deteriorating To follow the sometimes miraculous escapes throughout Eastern Europe during twelve years of being constantly uprooted makes for a gut wrenching reading This odyssey of human endurance and survival takes place among the turmoil of World War II as the unfolding background is kept in sight by the author and referred to methodically This autobiography is only one more testimony of the millions of victims who fell silent and to whom Timothy Snyder refers in his Bloodlands Cover Painting MARSH IN A FOREST ca 1665 by Jacob Van Ruysdael 1628 1682 Acquired by Catherine the Great between 1763 1774 for the Hermitage in St Petersburg Russia
