Organizational Behavior Mitchell J. Neubert, Bruno Dyck, 2013-12-12 Unlike any other OB textbook in the market Neubert and Dyck's *Organizational Behavior Binder Ready Version* empowers students to look at OB through two lenses the traditional core concepts that focus on how to make a company profitable and the collaboration creativity and ethical decision making that lead to developing sustainable businesses By inviting students to compare and contrast short term profitability and long term sustainability *Organizational Behavior* helps students build the critical thinking skills needed to positively affect organizations people and communities This text is an unbound binder ready edition WileyPLUS sold separately from text *Management Challenges for Africa in the Twenty-First Century* Felix M. Edoho, 2000-12-30 Edoho and his contributors examine the management challenges facing African governments and businesses on the eve of a new

millennium As the authors make clear Africa's future is defined by how Africa does in the 21st century For Africa a major challenge is how to effectively and efficiently manage its vast wealth Africa is not poor because it is poor it is poor because it cannot manage its development process The shortages of managerial knowledge skills and talents are pervasive Consequently the region lacks the ability to organize production and run operations effectively and efficiently The task of developing managerial manpower in Africa is not only imperative it is urgent After outlining theoretical and applied perspectives on management the volume examines the public and private sector planning and management It then explores the globalization of management technology provides case studies of African management dilemmas looks at management ethics and morality and concludes with an analysis of the role of management in African national development As the authors make clear abundant resources will not of themselves usher in an African economic renaissance Africa needs skills to identify and analyze its resources to undertake investment and to establish and run all kinds of organizations Until Africa develops its indigenous managerial talents development will continue to be elusive and the process traumatizing An important resource for scholars students and policy makers involved with African economic development **Management Live** Robert D. Marx, Todd Jick, Peter J.
