Management Of Child Protection Servicescontext And Change:

The Management of Child Protection Services Robert Sanders, 2019-05-23 First published in 1999 The Management of Child Protection Services is not about child abuse but about child protection It is about the arrangements that professionals from different disciplines make to ensure they operate together effectively to protect the most vulnerable children in society The book examines five different contexts of child protection historical cross cultural structural managerial and professional and consideration of the operation of Area Child Protection Committees In exploring these contexts the book seeks to address such questions as how can universal standards be applied to protect vulnerable children whilst avoiding ethnocentrism and from where are derived historically and cross culturally the models of child protection adopted in the UK today It also seeks to identify the different professional contexts roles and contributions of agencies involved in child protection with a view to promoting interdisciplinary understanding These questions and understandings are necessary if changes currently being contemplated are to enhance the effectiveness of child protection *An*

Introduction to Working with Children Matthew Colton, Robert Sanders, Margaret Williams, 2017-03-14 This is a comprehensive introduction to social work with children that integrates theoretical debates with a full and sensitive exploration of practice concerns It systematically examines all the common and pressing issues in child welfare and considers the implications of recent research legislation and policy shifts for current and future practice Balanced wide ranging and highly readable with plenty of case study examples and other practice elements to foster reflection and understanding it provides a sound knowledge base in the child welfare field and lays an excellent foundation for further skill development

Trust and Confidence in Government and Public Services Sue Llewellyn, Stephen Brookes, Ann Mahon, 2013-10-28 Trust and confidence are topical issues Pundits claim that citizens trust governments and public services increasingly less identifying a powerful new erosion of confidence that in the US goes back at least to Watergate in the 1970s Recently media exposure in the UK about MP expenses has been extensive and a court case ruled in favor of publishing expense claims and against exempting MPs from the scrutiny which all citizens are subject to under freedom of information As a result revelations about everything from property speculation to bespoke duck pond houses have fueled public outcry and survey evidence shows that citizens increasingly distrust the government with public resources This book gathers together arguments and evidence to answers questions such as What is trust Can trust be boosted through regulation What role does leadership play in rebuilding trust How does trust and confidence affect public services The chapters in this collection explore these questions across several countries and different sectors of public service provision health education social services the police and the third sector The contributions offer empirical evidence about how the issues of trust and confidence differ across countries and sectors and develop ideas about how trust and confidence in government and public services may adjust in the information age *Contextual Safeguarding and Child Protection* Carlene Firmin, 2020-05-20 This

Understanding System

Change in Child Protection and Welfare John Canavan, Carmel Devaney, Caroline McGregor, Aileen Shaw, 2021-11-29 This book provides an account of the experience of a multifaceted system change programme to strengthen the capacity of Ireland's statutory child protection and welfare agency in the areas of prevention early intervention and family support Many jurisdictions globally are involved in system change processes focused on increasing investment in services that seek to prevent children's entry into child protection and welfare systems through early intervention greater support to families and an increased emphasis on rights and participation Based on a four year in depth study by a team of University based researchers this text adds to the emerging knowledge base on developing implementing and evaluating system change in child protection and welfare Study methodological approaches were wide ranging and involved a number of key stakeholders including children parents social workers and social care workers service managers agency leaders and policy makers Since the change process involved an agency university partnership encompassing design technical support and evaluation the book also contributes to understandings of the potential and limits of such partnerships in the child protection and welfare field Uniquely the book gives voice to the experience of both agency personnel and academic in the accounts provided It will be of interest to all scholars students and practitioners in the areas of child protection and welfare

Oxford Handbook of

Child Protection Systems Jill Duerr Berrick, Neil Gilbert, Marit Skivenes, 2023 This Handbook describes the ways in which 50 countries from every continent except Antarctica have devised measures to protect children from maltreatment and exploitation The Handbook discusses the legislative responses public administrative systems and the social service networks that governments utilize to secure children's safety Synthesizing data from across the world the authors suggest a global typology of child protection systems for understanding the diversity of service responses

Inclusive Leadership in

Social Work and Social Care Trish Hafford-Letchfield, Sharon Lambley, Gary Spolander, Christine Cocker, 2014-03-01 This critical and reflexive book looks closely at the pivotal but demanding role that leadership and management play in promoting

social work and social care Focusing on the value that can be created when the relationships between the people delivering and those using public services are effective the contributors explore the conditions required to nourish confidence inspire self esteem unlock potential and balance inequality Aimed at both new and experienced social managers it draws on a range of disciplines not typically found in social work and social care studies encouraging readers to broaden their examination of leadership Comprehensive Handbook of Social Work and Social Welfare, Social Work Practice ,2008-03-31

Comprehensive Handbook of Social Work and Social Welfare Volume 3 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare Children's Services Malcolm Hill,Sir George Head,Andrew Lockyer,Barbara Reid,Raymond Taylor,2013-10-08 Children s Services Working Together brings together contributions from a number of authors in the field The book covers policy theory research and practice relevant to students and professionals working with children in a wide range of roles The emphasis on working collaboratively with other professionals where appropriate and the holistic approach to children make this a valuable resource to anyone working with children today *Change and Continuity in Children's Services* Roy Parker,2016-06-01 This collection of 12 new and revised essays on child care and children s services written by leading child welfare historian Roy Parker draws on his lifetime of research in this area By exploring various topics these essays explain significant political economic legal and ideological aspects of this history from the mid 1850s This unique and lasting review of child care services allows readers to understand how the services for some of society s most vulnerable children have become what they are how well they have met and now meet the needs of those children The collection provides a high quality historical reference resource that will inform and capture the interest of social work and social policy students as well as social and legal historians political scientists and those involved in administration and government struggling with the issues of the day Decision-Making and Judgment in Child Welfare and Protection John D. Fluke,Mónica López López,Rami Benbenishty,Erik J. Knorth,Donald J. Baumann,2020-07-17 Professionals in child welfare and protection are often required to make decisions fraught with many difficulties and shortcomings that have crucial implications for children and families There are many indications that these decisions are frequently unreliable and involve unavoidable errors in judgement due to the uncertainties Despite the central role of judgements in the field child welfare and protection training and research programs pay limited attention to leveraging the human factors aspect of practice Although extensive research exists in relevant areas such as medicine psychology business administration and economics little has been done to help develop transfer and translate scientific knowledge to the child welfare arena Decision Making and Judgment in Child Welfare and Protection pulls together the best internationally sourced expertise and makes it accessibly available and applicable to scholars educators practitioners students and policymakers the key stakeholders in child protective services and child welfare Federal Register ,2004-06-25 **Supporting Young Children's Participation in**

Pat Dolan, Nick Frost, 2017-02-17 In the context of the increasing global movement of people and a growing evidence base for differing outcomes in child welfare Routledge Handbook of Global Child Welfare provides a compelling account of child welfare grounded in the latest theory policy and practice Drawing on eminent international expertise the book offers a coherent and comprehensive overview of the policies systems and practices that can deliver the best outcomes for children It considers the challenges faced by children globally and the difference families services and professionals can make This ambitious and far reaching handbook is essential reading for everyone working to make the world a better and safer place for children **Unsettling Welfare** Gordon Hughes, Gail Lewis, 2005-10-05 Unsettling Welfare addresses the changing

relationship between social welfare its recipients and the state In particular the book explores the direction and the impact of the reforms of the welfare state that took place during the 1980s and 1990s By focusing on specific fields of social welfare and social control including health education housing income maintenance social services and criminal justice Unsettling Welfare identifies general trends and the ways in which these are manifested *Casebook Management For Non-Profit Organizations: Entrepreneurship & Occup* Simon Slavin, Dennis Young, 2012-11-12 An essential and unique contribution to the social organizational literature Casebook of Management for Nonprofit Organizations highlights the importance of good management to human service organizations Author Dennis Young uses case studies that stress entrepreneurship and are addressed to particular aspects of human services management the processes of new program development and the management of organization change Written in nontechnical readable language the cases deal with a wide array of types of organizational change ranging from development of new programs to the birth of new organizations the merger of organizations and the expansion and diversification of the service offerings of various agencies Moreover the cases touch on many other intrinsic aspects of organizational administration including management of professionals and other staff working

with trustees financing programs through government and private sources coping with governmental regulatory processes and managing relationships with organizational clients and constituent groups *From Evidence to Outcomes in Child Welfare* Aron Shlonsky, Rami Benbenishty, 2013-11-04 The information age is upon us and with it a new era of human services has emerged The terms Evidence Based evidence informed best practice and effective have become ubiquitous in scholarly and professional publications government documents funding applications and training institutions across the world Yet despite this avalanche of words there is substantial disagreement with respect to the definition of evidence and how it should be used to improve the lives of children and youth This book builds on the burgeoning evidence informed practice movement in social welfare that evolved from evidence based medicine some twenty years ago Key insights from an internationally recognized group of scholars representing several child welfare systems promotes a nuanced understanding of evidence in all its forms makes a strong case for understanding the role of context in generating interpreting and employing evidence and provides guidance for integrating evidence and context in the provision of child welfare services The book begins with an introduction to evidence informed practice and a broad overview of the different types of evidence that can be useful in guiding difficult decisions under uncertain conditions This is followed by a decision making framework that incorporates the use of evidence within the context of a complex child protection system Next empirically supported programs and treatments are evaluated with respect to their transportability across contexts with sometimes surprising results Two revolutionary approaches to the delivery of effective services common factors and common elements are then introduced and followed by a treatise on the importance of implementation in child welfare settings Embracing different types of evidence used for different questions the role of randomized controlled trials epidemiology administrative and survey data are then explored Finally the context of service provision within an agency is explored through an overview of the structure function and culture of human services organizations the role of universities in training staff and conducting relevant practice and policy research and an applied example involving a partnership between a major university and a large child welfare agency
