**Investment Management with S&P bind-in card** Geoffrey Hirt, Stanley Block, 2007-09-21 Fundamentals of Investment Management 9th edition by Hirt and Block establishes the appropriate theoretical base of investments while at the same time applying this theory to real world examples. Students will be able to translate what they have learned in the course to actual participation in the financial markets. The textbook provides students with a survey of the important areas of investments: valuation, the marketplace, fixed income instruments and markets, equity instruments and markets, derivative instruments and a cross section of special topics such as international markets and mutual funds. The authors approach financial analysis the way it is done by many Wall Street firms. Geoff Hirt directed the CFA program for the Investment Analysts Society of Chicago, now the CFA Institute of Chicago, for 15 years and sat on the board of directors from 2002 to 2005. Stan Block has been a practicing CFA for over 20 years. Both professors have taught and advised student managed investment funds at their universities and bring this wealth of learning experiences to the students who study from this text. The authors are user friendly but make no concessions to the importance of covering the latest and most important material for the student of investments. **MBA in Finance - City of London College of Economics - 10 months - 100% online / self-paced** City

Mastering Private Equity Set Claudia

Zeisberger, Michael Pahl, Bowen White, 2017-07-06 This set combines the definitive guide to private equity with its case book companion providing readers with both the tools used by industry professionals and the means to apply them to real life investment scenarios. 1 Mastering Private Equity was written with a professional audience in mind and provides a valuable and unique reference for investors, finance professionals, students and business owners looking to engage with private equity firms or invest in private equity funds. From deal sourcing to exit, LBOs to responsible investing, operational value creation to risk management, the book systematically distills the essence of private equity into core concepts and explains in detail the dynamics of venture capital, growth equity and buyout transactions. With a foreword by Henry Kravis, Co Chairman and Co CEO of KKR and special guest comments by senior PE professionals. 2 Private Equity in Action takes you on a tour of the

private equity investment world through a series of case studies written by INSEAD faculty and taught at the world's leading business schools. The book is an ideal complement to *Mastering Private Equity* and allows readers to apply core concepts to investment targets and portfolio companies in real life settings. The 19 cases illustrate the managerial challenges and risk reward dynamics common to private equity investment. Written with leading private equity firms and their advisors and rigorously tested in INSEAD's MBA, EMBA and executive education programmes, each case makes for a compelling read.
